"SPECIAL ASSISTANT ATTORNEY GENERAL" Jenna Howell:

I am NOT a member.
I do NOT have a password.
I do NOT want to contract with a third party to receive this OPEN RECORDS "answer".
I do NOT want to "create an account."

I just want what owed to me by "right."

I followed the instructions and it did NOT work for me as a "totally and permanently disabled quad-amputee" requiring "ADA reasonable accommodations."

MAIL IT IMMEDIATELY.

The screenshot shows a web interface for a sign-in process. At the top left is the logo for 'bit bureau of information & telecommunications'. To the right is a 'Help' button. Below the logo is a URL bar containing a long URL and a notification that says 'Sign In - Voltage SecureMail'. The main content area is titled 'Sign In' and shows the email address 'deschied@yahoo.com'. Below that is a 'Password' label and a text input field containing the word 'Password'. A blue 'Sign In' button is positioned below the password field. Underneath the button is a blue link that says 'Forgot your password?'. At the bottom of the sign-in area is a small lock icon. The footer of the page reads 'Email Security Powered by Voltage IBE(tm)'.

Cordially yours,

David Schied
