Re: 21-0738

Dear Mr. Schied:

Our office has received the enclosed reply from U-Haul International, Inc. concerning the consumer complaint that you filed. Upon review of your complaint and the company's answer, ~~this office has determined that the complaint does not appear to be a violation of the South Dakota Deceptive Trade Practices and Consumer Protection act.~~

The Attorney General is prohibited by law from representing individuals in private lawsuits. A Small Claims Court procedure may be available to you, which may be used with or without the services of a private attorney. Information on this website will explain how to bring about a small claims suit: <http://www.sdjudicial.com/courtinfo/smallclaims.aspx>. I am sorry to inform you that this office has no other recourse than to close the file.

Please feel free to contact our office in the future if you should have other consumer questions or concerns.

Sincerely,

A handwritten signature in cursive script that reads "Richard Bauman".
