**First**, I wish to reiterate the longstanding CLAIMS that I have been hold against EACH ONE of you under the FEE SCHEDULE to which ALL of YOU have repeatedly acquiesced in TACIT AGREEMENT, and for which these CLAIMS are currently pending in the SOUTH DAKOTA SUPREME COURT in case referenced as No. 22-166. These are accumulated CLAIMS in the **hundreds of MILLIONS** going back to March 2021 and related to the wrongful (i.e., “criminal”) DENIAL OF “MEDICAL ASSISTANCE” (a.k.a. “MEDICAID”) and subsequent “3<sup>rd</sup> Tier” of CRIMINAL COVERUP by the repeated DENIAL of proper address of ADMINISTRATIVE and JUDICIAL “COMPLAINTS” and “OPEN RECORDS REQUESTS”.

As a reminder, I have already addressed many of the “PREDICATE ‘RICO’ CRIMES” with each of YOU with the letterhead depicted graphically below being of a prime example – to which each of YOU have refused to answer, and therefore, these “SECONDARY ‘RICO’ CRIMES” are now first being sought for RELIEF in the STATE courts after having clearly exhausted my “*administrative remedies*” with the NOEM ADMINISTRATION’s “DEEP STATE” of corruption. As a reminder, I am also pursuing these CLAIMS “*Ex Rel*” on the behalf of the Sovereign People as both STATE and UNITED STATES “*taxpayers*” as “*matters of important public interest*”.

## Vulnerable Adult Abuse, Neglect and Financial Exploitation

Older Americans and adults with disabilities are often the targets of abuse. This is because they are often unable to make a complaint or are afraid to lodge a complaint.

Vulnerable adult abuse is especially tragic because in many of these cases the abuser is in a position of trust; as a caregiver, a guardian, a trustee, or even a family member. By being aware of the signs of possible abuse, neglect and exploitation, you can help protect victims.

Even though YOU have **TACITLY AGREED** to all of my **PREVIOUS CLAIMS** against all of **YOU**, **YOU** have also totally ignored my “*ridiculously nice*” **EFFORTS** to provide **ALL OF YOU** with the means by which you may lower **YOUR DEBTS** by a show of **GOOD FAITH** as presented to **YOU** **LAST September 2022** by way of the following:

Note also that all future labors by me will be charged according to the above-referenced “common law jurisdiction” FEE SCHEDULE.

The choice, again, is yours under this UNREBUTTED and ONGOING 2021 CONTRACT, to which YOU HAVE ALREADY TACITLY ACQUIESCED.

– Yet YOU have gone further to continue doing the following:

- 1) On 9/28/22, “Dr.” Daniel Berens and the MONUMENT HEALTH “19<sup>TH</sup> STREET CLINIC” committed MAIL FRAUD while also DISCRIMINATING against me after I drew light to Dr. Berens’ previous FRAUD, DERELICTION and GROSS NEGLIGENCE in FAILING TO REPORT “ABUSE AND NEGLECT OF A VULNERABLE ADULT” to the proper agency as deemed by the “authorities” for the DEPARTMENT OF SOCIAL SERVICES operating in LAWRENCE COUNTY. The details of those previous CRIMINAL ALLEGATIONS against Berens and the nursing staff at MONUMENT HEALTH were proven by the RECORDINGS and DOCUMENTS referenced by the contents of the above letter dated 8/23/22-9/12/22.

September 28, 2022

David E. Schied  
PO Box 321  
Spearfish, SD 57783

Dear Mr. Schied,

NOTE how Daniel Berens disguises his own FRAUD – as well as the “CONSPIRACY TO FRAUD” by his “LEGAL TEAM” at MONUMENT HEALTH by using a “passive” voice to FALSELY infer that I had “mailed” to him the letter which I otherwise have PROOF of being “hand-delivered.”

Trust and cooperation are key components to a successful Provider patient relationship. It is difficult to provide quality care when these elements are missing.

I received a legal document, in the mail, the week of September 16, 2022. This document was sent to the Monument Health legal team for review. According to our legal team, you are alleging I have committed malpractice for failure to report you were being abused, as a disabled adult. Therefore, you claim I owe you \$44 million. Due to your claim against me, I do not feel it is best for you to continue your medical care with me.

I will refill prescriptions for the next 30 days that have been prescribed by me. Please contact our office if you need a prescription renewal via My Chart or 605-717-8595.

You can find a full list of available physicians and providers at [www.monument.health](http://www.monument.health) or call 605-717-8595 to find a new physician or provider at 1420 N. 10<sup>th</sup> Street in Spearfish.

If you have a medical emergency, please proceed to the nearest Emergency Department.

We will forward your medical records to the provider of your choice once we have received a completed Release of Protected Health Information. Please obtain a release form by calling (605)644-4000.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Berens".

Dan Berens, DO  
Monument Health 10<sup>th</sup> Street Clinic

NOT ONLY is “Dan” Berens LYING about the context under which he purportedly “received” my letter (on some unstated day of the “week”), but he also LIED about the content of the letter as being addressed solely to him and commanding a debt owed by him (alone) in the amount of \$ 44 MILLION when that is PROVABLY FRAUDULENT.

Attention Matthew Banton and Allison Hoeft:

Today I hand delivered the "RELEASE OF INFORMATION" FORM (referenced below in the email to me from Allison Hoeft) to Matthew Banton at the window of the "checkout" counter at the MONUMENT HEALTH facility at 1420 N. 10th St. in Spearfish. Although we did not talk about our previous correspondence today because I did not recognize Mr. Banton in this first face-to-face happenstance meeting, he should be familiar with my name and my reason for dropping off a sealed envelope containing the contents of the 35-page attachment to this instant email to both of you. Mr. Banton and I have had previous phone and email discussions related to the contents of the envelope that he took possession of from me as addressed to Dr. Daniel Berens.

Both deliveries pertained to my persisting reports to Dr. Berens - and his purported report to a "DSS SUPERVISOR" on 8/4/22 about "NEGLECT AND ABUSE" against me by AGENTS of the STATE OF SOUTH DAKOTA, as mandated by law (within 24 hours to law enforcement or other governmental authority). As discussed over the phone with Allison prompting her to email me below, I AM REQUESTING THAT - BECAUSE I AM BEING "ISOLATED" AT HOME BY THE STATE AGENTS REFUSING TO PROVIDE ME WITH "MEDICAL ASSISTANCE" THAT OTHERWISE PROVIDES ME WITH THE NEEDED TRANSPORTATION FOR ME TO "ACCESS" MY COMMUNITY, WHILE BEING SIMILARLY "RETALIATED AGAINST" BY THE STATE ACTORS WHO HAVE TAKEN AWAY "CHORE / HOMEMAKER SERVICES" to assist me in keeping my home clean, sanitary, and to provide me with socialization and other opportunities for shopping, help with food preparation, and other weekly necessities ... all because I have been "exhausting my administrative remedies with the "ADMINISTRATIVE 'DEEP' STATE, and have now filed my first lawsuit against the CRIMINAL and DISCRIMINATORY agents doing all of this - I request that the "RECORD" THAT I AM REQUESTING BE EXPEDITED BACK TO ME ASAP BY RETURN EMAIL.

**I will place my “bet” on the FACT that “Dr.” Daniel Berens never even read the letter which Berens FALSELY asserts “was sent” (by someone unnamed by Berens but whom I can verifiably name as “Matthew Banton” whose signature is in receipt of the other of the TWO DOCUMENTS hand-delivered to Banton himself on 9/14/22 as subsequently documented by the above-referenced email) to the “LEGAL TEAM” of MONUMENT HEALTH. I therefore herein assert that Berens’ 9/28/22 letter PROVES a “CONSPIRACY” between (AGAIN) UNNAMED members of the “LEGAL TEAM” and MANAGEMENT of the MONUMENT HEALTH “SYSTEM” and “Dr.” Daniel Berens to “deprive [me] of [my] right” to proper health care treatment and proper “due process” in managing RECORDS by way of those STATE BAR [CRIME SYNDICATE] member attorneys advising Berens that he should “create a FRAUDULENT PAPER TRAIL” for them to use against me [and to DEFRAUD the CORRUPT COURTS (also being operated by the STATE BAR CRIME SYNDICATE)] should this entire matter turn to “civil” litigation and a DEMAND FOR TRIAL BY JURY.**

My reliance is on the RECORDED “FACTS” as presented herein, and NOT upon mere speculation and the FRAUDULENT PAPER TRAIL being initiated by MONUMENT HEALTH and its CORPORATE “conspiracy of PRINCIPALS and AGENTS.” Such “RECORDS” also include the VERIFIABLE “FACT” that “Dan” Berens’ letter FALSELY CLAIMED that I claimed the “he owed” \$44 MILLION when that is patently untrue. The EVIDENCE clearly shows that THE DEBT IS SHARED BY MANY who are operating in their “private individual” as well as their “CORPORATE FICTIONAL” capacities; and the “amount owed” was deemed last September 2022 as \$32 MILLION because of my magnanimous generosity in wiping away fully \$20,000,000 in good faith as clearly shown a few pages back in excerpted portion from that very 9/12/22 letter delivered to Matthew Banton on 9/14/22.

**With that \$32,000,000 amount being the “starting point” for this instant correspondence in “response” to further actions taken CRIMINALLY against me by MONUMENT HEALTH and its many other “agents and principals,” I have RECORDED the following EVENTS for which I herein am levying \$2,000,000 per incident (and per the many bogus “new accounts” created unilaterally by “MONUMENT HEALTH, et al”**

**BE ADVISED THAT – AS A “TOTALLY AND PERMANENTLY DISABLED QUAD-AMPUTEE” – I AM ENTITLED BY LAW TO THE “REASONABLE ACCOMMODATION” OF EXTRA TIME; SO, DAMAGE TO MY “PERSONAL CREDIT” OR PUBLIC REPUTATION DUE TO YOUR REFUSAL TO PROVIDE ME WITH TIME BEYOND YOUR OWN SET “DEADLINES” IS A “PROSECUTABLE OFFENSE.”**

- 2) On 11/11/22, MONUMENT HEALTH and its CORPORATE “*billing*” and/or “*collection*” AGENTS sent to me the following email and “*paper copy*” through the mail in SPITE of the FACT that I have established a long history that MONUMENT HEALTH is using my private email box and private U.S. Postal MAILBOX “*in error*” for purposes of committing FINANCIAL ABUSES against me as a “vulnerable adult” – being a poor, elderly, and “*totally and permanently disabled quad-amputee*” being otherwise entitled to “*civil*” and “*criminal*” protections as a reported “*CRIME VICTIM*” and “*FEDERAL WHISTLEBLOWER*.”

Amount Due: \$495.67

Valued at \$2,000,000 “per (DATED) incident” as separately numbered “incidents” for which “PAYMENT” (or other form of “CREDIT”) has already “been made” – according to my FEE SCHEDULE amounts to (\$2,000,000 x 8 =) \$16,000,000 (subtotal) plus (+) another \$2,000,000 for “Dr.” Daniel Berens’ FRAUDULENT LETTER dated 9/28/22 causing additional DAMAGES = \$18,000,000 as the UPDATED SUBTOTAL to be added to the PREVIOUS SUBTOTAL of \$32,000,000 from 9/12/22 creating an UPDATED SUBTOTAL OF \$50,000,000 OWED as of the date of 11/22/22.

Interestingly, AMERICOLLECT, INC.’s letter appears to have taken fully TWO WEEKS to reach my postal mailbox; and I discovered when it finally arrived that the “CO-CONSPIRATORS” have an apparent arrangement with the U.S. POSTAL SERVICE for “mailing” correspondence WITHOUT POSTMARKING – making it impossible for mail recipients to know the actual date – i.e., how many days AFTER the “date on the inside correspondence” – this envelope was actually placed into the hands of a THIRD PARTY mail deliverer for a MANDATORILY DATED “reply” from a “quad-amputee” being knowingly DENIED “MEDICAID” (i.e., “MEDICAL ASSISTANCE” by the STATE that otherwise would be paying these “BOGUS CLAIMS” in the first place, as well as the TRANSPORTATION needed to “return mail” the demanded “written response” needed to avoid further DAMAGES from these FINANCIAL ABUSES.

\*\*\*\*\*

- 4) In addition – beginning again on 11/29/22 – Matthew Banton and/or his MONUMENT HEALTH “CONSPIRACY TEAM” sent a barrage of NINE (9) MORE “BOGUS” CLAIMS into both “e-mail” and “snail-mail” forms of FINANCIAL HARASSMENT against me in the attempt to INTIMIDATE and THREATEN me further in the loss of my CREDIT and my DIGNITY; being again, “CIVIL” and “CRIMINAL” VIOLATIONS of both the “letter” and the “spirit” of FEDERAL LEGISLATION.

The DATES of each of **MONUMENT HEALTH's** harassing WRITTEN correspondence were 11/29/22, 12/2/22, 12/11/22, 12/13/22, 12/21/22, 12/22/22, 12/24/22, 12/29/22, and going into the NEW YEAR dated 1/1/23 – all related to varied separate “accounts” and/or UNMARKED accounts that were again bearing MY COPYRIGHTED NAME without my prior authorization ... and all threatening to ruin my good credit and, in turn, causing OTHER HARM if I did not “*bow down*” to their **FINANCIAL ABUSES** and their accompanying DEMANDS for me to “**PAY NOW**” and submit to INVOLUNTARY SERVITUDE with EACH being CONSTITUTIONAL VIOLATIONS committed by COERCION, constituting also DOMESTIC TERRORISM.

## Vulnerable Adult Abuse, Neglect and Financial Exploitation

Older Americans and adults with disabilities are often the targets of abuse. This is because they are often unable to make a complaint or are afraid to lodge a complaint.

Vulnerable adult abuse is especially tragic because in many of these cases the abuser is in a position of trust; as a caregiver, a guardian, a trustee, or even a family member. By being aware of the signs of possible abuse, neglect and exploitation, you can help protect victims.

Some Common signs of financial exploitation include:

- Social Isolation;
- Inability to pay for healthcare;
- New power of attorney by unknown person;
- Lack of funds to pay for common life expenses.

“Governments” absolutely refuse to admit that the chief offenders are the “officers” and “court-appointed guardians” of the “DEEP” STATE. In my case, it is the “actors and jesters” as AGENTS of the “STATE” as manifest in the “trusted” DSS and DHS “arms” of the STATE who are GUILTY OF NEGLECT AND ABUSE by their refusal to provide me with MEDICAL ASSISTANCE (a.k.a. “MEDICAID”) that helps to pay for needed SERVICES, EQUIPMENT and TRANSPORTATION to ACCESS my community.

As shown by many previous pages above, until such time that the CCB was reporting that MONUMENT HEALTH – **and now AMERICOLLECT, INC.** – had taken the step to establish an “*arbitrary and capricious*” entry into their FRAUDULENT PAPER TRAIL of me as a “*debtor*” by written assertion of “*You paid or were credited this*” – placing accountability against me by the former and no accountability to MH, CCB or AMERICOLLECT, INC. in the latter side of the “*OR*” grammatical qualifier for whatever action was taken on THEIR PART – **the amounts used against me as FINANCIAL ABUSE were astounding to cause both stressful emotion and financial harm to my reputation as a reliably insured “credit” risk and as a medical “patient” in a lifetime of need of post-amputations mobility issues and other internal medicine complications otherwise being DENIED FOR SERVICES because of my “inability to pay.”**

In addition to the above-referenced WRITTEN forms of financial harassment, **there were three (3) more harassing telephone calls and messages left by the MONUMENT HEALTH “BUSINESS OFFICE”** in purported “*effort to collect upon*” those astounding amounts for which the STATE was refusing to pay by support of “*MEDICAL ASSISTANCE*” (“*MEDICAID*”) to pay what MEDICARE did not pick up on “*covered*” expenses. **This put me into the position of – like with having to grovel for TRANSPORTATION services to access my community for the above-referenced various medical appointments – I was having to beg and borrow for having needed other services including needed DENTAL CLEANING AND SURGERY because the STATE also refused to provide to me what MEDICARE does not cover and the SOCIAL SECURITY ACT otherwise pays to the STATES to provide for their elderly, poor, and disabled.**

**ACCORDING TO MY PREVIOUSLY PROVIDED FEE SCHEDULE – LEDGERED AT \$2,000,000 PER INCIDENT BASED UPON THE CONSTITUTIONAL, FAIR DEBT CREDIT ACT, AND OTHER FEDERAL STATUTORY VIOLATIONS OF MY “CIVIL RIGHTS” AND THE ANTICIPATED COSTS OF “COLLECTING” UPON THESE DEBTS WHILE UP AGAINST “STATE BAR CRIME SYNDICATE” MEMBERS AND CORRUPT STATE AND UNITED STATES COURTS – THE NEW DEBTS INCURRED AS SHOWN ABOVE ARE FACTORED IN AS BEING ADDITIONALLY OWED BY ALL OF YOU AS “CO-TRUSTEES” OF MY “BENEFICIARY” SERVICES**

Again, **in reiteration of what I had written to YOU on 10/28/21 and again on 9/12/22**, I had refrained from charging anything in GOOD FAITH that YOU would honor the terms of my first correspondence (which was earlier in 2021 as addressed to **Matthew Banton** (and/or **MATTHEW BANTON**) and **Nancy Stone** (and/or **NANCY STONE**) and **leave me alone and in peace to take care of my own needs in accordance with the recommendations and prescriptions of my doctor, who appears to me to be acting in accordance with the standards set by the Medical Community for treating a recent “totally and permanently disabled quad-amputee”**. However, YOU ALL have nevertheless **persisted to harass and threaten me even further**, as shown above and AFTER that previous SERVICING CONTRACT was initiated by YOU without your rebuttal and, consequently, by your silence in **TACIT AGREEMENT** with these TERMS and COUNTERCLAIMS.

***See again, Dr. Berens’ letter dated on 8/31/21 verifying my “totally and permanently disabled” status.***

To whom it may concern:

David is a patient of mine. He has had amputations of 7 of his fingers and bilateral below the knee amputations. He is permanently and totally disabled. From his amputations he is essentially a quad amputee. Because of these amputations he has difficulty completing ADLs and is frequently home bound due to complications of his amputations. David is dependent on equipment for his daily life and is essentially considered nursing home or institution level of care.

Sincerely,

**IT'S THE STATE'S DUTY TO ENSURE THAT "TOTALLY AND PERMANENTLY DISABLED" ARE PROPERLY EVALUATED AND "PERMANENTLY" CARED FOR UNDER THE TERMS WRITTEN BY THE U.S. CONGRESS UNDER THE SOCIAL SECURITY ACT**

<https://www.ssa.gov/history/1986dibhistory.html>

Based on the recommendations of the 1948 Advisory Council, the House of Representatives, in 1949, passed a bill containing provisions for the payment of benefits under title II of the Social Security Act to permanently and totally disabled insured workers. However, the Senate-passed version of the bill made no provision for disability insurance benefits. Instead, provision was made for grants in aid to the States for public assistance to permanently and totally disabled, needy individuals. The Senate version was adopted in conference and reflected in the final bill enacted as the Social Security Act Amendments of 1950.

The new program of Federal grants to States for aid to the permanently and totally disabled was enacted as title XIV of the Social Security Act. It complemented similar programs for State public assistance to the aged and the blind enacted in the original Social Security Act of 1935 as titles I and X, respectively. These three programs for State public assistance would be replaced in 1974 by the Federally administrated program of Supplemental Security Income for the Aged, Blind, and Disabled--the current title XVI program.

...

In passing the 1980 legislation, Congress also sought to strengthen Federal management of the State disability determination process to ensure effective and uniform administration of the disability programs throughout the United States. To this end, it abolished the system of individual State agreements and required the Secretary to promulgate regulations specifying performance standards and administrative requirements and procedures to be followed by the States in performing the disability

determination function. In addition, a provision in the 1980 Amendments requires the Secretary to assume the determination function from a State if the Secretary finds that the State agency is substantially failing to make disability determinations in a manner consistent with published regulations and written guidelines. To ensure uniformity and consistency of State agency determinations, the Amendments further required the Secretary to gradually reinstitute a system of preeffectuation review of a majority of State agency disability allowances and determinations of continued disability.

...

#### **PERIODIC REVIEW OF CONTINUING DISABILITY**

In another provision of the 1980 Amendments, Congress sought to ensure the integrity of the disability programs by requiring that the status of disability beneficiaries be reviewed at least once every 3 years, unless the individual's disability is considered permanent. Prior to the Amendments, continuing disability reviews were conducted only in selected cases where the individual's condition was expected to improve (medical diary cases), or the individual had returned to work. Congress thought that this highly selective review process was inadequate as a means of ensuring that only persons who continued to be disabled remained on the rolls.

Shortly after implementation of the continuing disability review provision, the periodic review process came under criticism from the public and some members of Congress for the effects it was having on some beneficiaries. There were adverse reactions to both the increased number of cases subjected to review, and the fact that the reviews resulted in the termination of payments to many beneficiaries who had been on the rolls for some years

**The case NOW in the S.D.  
SUPREME COURT proves ...**

...

During this same period a growing number of Federal courts were issuing decisions requiring the use of a medical improvement standard in continuing disability reviews. For example, in Finnegan v. Mathews (1981), the Ninth Circuit held that the Secretary may not terminate an individual's disability benefits based on medical factors absent a finding of clear error in the previous determination of disability, or evidence of medical improvement sufficient to establish that the individual is no longer disabled. This holding was reaffirmed by the Ninth Circuit in Patti v. Schweiker (1982), and Lopez v. Heckler (1983). Several other Courts of Appeals issued somewhat similar rulings.

...

In June 1983, Secretary Heckler announced a package of major reforms affecting the continuing disability review program. These included, among others, a temporary moratorium in the review of most mental impairment cases pending a thorough review of the standards for evaluating certain mental impairments, a substantial increase in the percentage of beneficiaries classified as having permanent disabilities and exempt from normal periodic review, selecting cases for review on a random basis instead of based on specific profiles, and an acceleration of a top-to-bottom review of standards, policies and procedures affecting disability evaluation. These reforms were in addition to many administrative initiatives undertaken in 1982 to improve the periodic review process and the quality of disability determinations.

**... that the SOUTH DAKOTA  
ADMINISTRATIVE ‘DEEP’  
STATE agents of the DSS and DHS  
have been this past year violating  
what even the U.S. “*SECRETARY*” is  
not allowed to do in re-evaluating  
whether a “totally and permanently  
disabled” man is “eligible” for  
“MEDICAL ASSISTANCE.”**

**IN FACT, MY EVIDENCE AGAINST THE STATE OF SOUTH DAKOTA PROVES THAT THE “DEEP STATE AGENTS” WORKING FOR THEIR “DEEP STATE PRINCIPALS” OF THE “DEPARTMENTS” OF “SOCIAL SERVICES” AND “HUMAN SERVICES” HAVE BEEN IN GROSS VIOLATIONS OF THEIR OWN DUTIES TO REPORT EACH OTHER FOR “NEGLECT” AND THE “FAILURE TO PROVIDE ADEQUATE MEDICAL CARE” AS THE “JOINT TRUSTEES” OF THE GOVERNMENTS’ “TRUST CONTRACT” BETWEEN THE “UNITED STATES” AND THE “STATES” UNDER THE SOCIAL SECURITY ACT (AS AMENDED)**

## **LONG TERM SERVICES AND SUPPORTS**

### **ADULT PROTECTIVE SERVICES**

Adult Protective Services (APS) provides elders and adults with disabilities protection from abuse, neglect or exploitation. If you suspect that an elder or a disabled adult is the victim of abuse, neglect or exploitation, please click this link to complete the Adult Protective Services Referral form. For guidance on completing the referral form, please refer to the document below

- **Adult Protective Service Referral Form**
- **Guide to completing APS referral**

### **NEGLECT**

Neglect is defined as harm to the health or welfare of an elder or an adult with a disability, without reasonable medical justification, caused by a caretaker, within the means available for the elder or adult with a disability, including the failure to provide adequate food, clothing, shelter or medical care.

## WHEN TO REPORT

The following indicators may be helpful when deciding whether abuse, neglect or exploitation may be taking place.

### Physical Indicators

- Injuries that have not been cared for properly.
- Lack of necessary equipment such as walkers, canes, bedside commode.
- Lack of necessities such as heat, food, water and unsafe conditions in the home.

### Behavioral Indicators

- Agitation, anxiety
- Withdrawal
- Ambivalence
- Fear
- Depression
- Anger
- Isolation
- Resignation

The “*DEEP STATE*” ACTORS do not give one iota of care, as “*CO-TRUSTEES*” of funds issued to them by the federal government; even despite my extraordinarily high level of “*self-advocacy*” in reporting **DISCRIMINATION** Instead, they **RETALIATE**.

The “*cause*” leading to my loss of both (2) legs and seven (7) fingers in 2018 is reasonably due to an “*INJURY*” that cannot possibly be cared for properly when the patient is **FORCED** by the “*DEEP STATE*” AGENTS to forgo treatments because of a **DENIAL OF PAID TRANSPORTATION**, the refusal of the STATE to furnish electronic wheelchairs; or to even reimburse for costs to maintain functional performance to wheelchairs and prosthetic legs and diseased “*stumps*” left on the body.

### Indicators from Family/Caregivers

- The elder may not be allowed to speak for himself/herself
- Obvious absence of assistance
- Failure to provide physical aids such as eyeglasses, hearing aids or dentures.
- Inappropriately leaving an older person alone for long periods of time.

## MANDATORY REPORTING

South Dakota law requires individuals in the medical and mental health professions and employees or entities that have ongoing contact with and exposure to elders and adults with disabilities, to report knowledge or reasonable suspicion of abuse, neglect or exploitation of elders and adults with disabilities.

- **Abuse, Neglect and Exploitation of Elders or Adults with Disabilities Brochure**
- **Abuse, Neglect and Exploitation Video (with audio)**

### Mandatory Reporters

There are two groups of mandatory reporters and the process for reporting is different for each group.

The first group of mandatory reporters of abuse, neglect and exploitation includes:

- Physician, dentist, doctor of osteopathy, chiropractor, optometrist, podiatrist, religious healing practitioner, hospital intern or resident, nurse, paramedic, emergency medical technician, social worker or any health care professional;
- Psychologist, licensed mental health professional or counselor engaged in professional counseling; or
- State, county or municipal criminal justice employee or law enforcement officer.

These individuals must make an oral or written report within twenty-four hours to law enforcement, the state's attorney or DHS.

“*Self-Advocacy*” means nothing to the “*DEEP STATE*” PRINCIPALS of the STATE such as GOVERNOR Kristi Noem, the ATTORNEY GENERAL Jason Ravnsborg, DHS SECRETARY Shawnie Rechtenbaugh, and DSS SECRETARY Laurie Gill. They refuse to “*answer*” written COMPLAINTS, and they “*weaponize*” their respective “*assistant attorney generals*” – as all being STATE BAR (CRIME SYNDICATE) members – to repeatedly DENY “*OPEN RECORDS REQUESTS*” for documents submitted by me under the laws of “*government transparency*”; and they RAILROAD “*Due Process Hearings*” when conducting their so-called “*ADMINISTRATIVE APPEALS*.”

“*Self-Advocacy*” should means something more to Dr. Daniel Berens, D.O. than to repeatedly postpone reporting my detailed COMPLAINTS to him as my “*trusted*” and “*licensed*” health care professional – that I am being DENIED corrective lenses, DENIED dental cleanings, being DENIED reimbursement on wheelchair batteries, being DENIED care for amputated “*stumps*” and need prosthetic legs – than to claim that I am “*a victim of my own success*” and/or to delay reporting for many weeks and/or months.

The second group of mandatory reporters of abuse and neglect includes:

- Any staff member of a nursing facility, assisted living facility, adult day care center or community support provider, or any residential care giver, individual providing homemaker services, victim advocate or hospital personnel engaged in the admission, examination, care or treatment of elders or adults with disabilities.
- Any individual in this group must report to the person in charge of the institution where the elderly or adult with a disability resides or is present, or the person in charge of providing the services within twenty-four hours.

The person in charge must also make an oral or written report within twenty-four hours to law enforcement, the state's attorney or DHS.

## WHAT TO REPORT

To report abuse, neglect, or exploitation of an elder or an adult with disabilities, please contact your local law enforcement agency, local state's attorney's office or contact [Dakota at Home](#) or [Adult Protective Services](#).

In addition to mandatory reporting, people can make reports on a voluntary basis. Any person who knows or has reason to suspect that an elder or adult who is disabled has been abused, neglected or exploited may report that information. Persons who in good faith make a report of abuse, neglect or exploitation of an elderly or adult with a disability are immune from liability.

Facilities or programs that are licensed or regulated by the Department of Health or Department of Human Services will follow department procedures in place for reporting.

A mandatory reporter who knowingly fails to make the required report is guilty of a Class 1 misdemeanor.

Include the following if you know or have reason to believe someone needs protection from abuse, neglect or exploitation:

- The name, age, physical address and contact information of the elder or adult with a disability;
- The name, age, physical address and contact information of the person making the report;
- The name, age, physical address and contact information of the caretaker of the elder or adult with a disability;
- The name, age, physical address and contact information of the alleged perpetrator;
- The nature and extent of the elder or adult with a disability's injury, whether physical or financial, if any;
- The nature and extent of the condition that required the report to be made; and
- Any other pertinent information.

***"Self-Advocacy"*** should mean something more to GOVERNOR Kristi Noem, the ATTORNEY GENERAL Jason Ravnsborg, DHS SECRETARY Shawnie Rechtenbaugh, and DSS SECRETARY Laurie Gill ... especially when the elderly and disabled *"self-advocate"* has the demonstrated intelligence, educational background, disability training, and organizational capability to SUPPORT HIS CLAIMS WITH EVIDENCE of DISCRIMINATION, RETALIATION, and other *"RICO"* CRIMES of *"DEPRIVATION OF RIGHTS UNDER COLOR OF"* LAW / PROCEDURE / OFFICE OF AUTHORITY.

***See the "ACCARDI DOCTRINE" and the "RULES ENABLING ACT"***

Simply publishing the AFFIRMATIVE DUTY of these *"CO-TRUSTEES"* operating as STATE and UNITED STATES *"officers"* and *"agents"* does NOT automatically grant them *"immunity"* from civil and criminal prosecutions when they REFUSE to follow their own policies and procedures, and/or the use *"procedure"* to undermine *"substance"* by way of *"weaponized due process"* to yield results opposite of those intended by the procedures themselves.

**MORE RECENTLY, I RECORDED THAT DR.
