APPENDIX I

The History of *Grievant/Crime Victim/Claimant* David Schied's Multiple Previous Cases Spanning Forty (40) Years of Unresolved Constitutional Violations That Reflect a Long-Term Vacancy in the *De Jure* Status of "*Citizens*," "*States*," and the "*United States*"

"*Private Public Proxy*" David Schied is a professional researcher and *honors* graduate of two premiere research universities, with two undergraduate ("BA") degrees from the University of Southern California, a Masters' Degree in Education from the University of Michigan, and over 40 dedicated post-graduate university credit/hours in professional teacher credentialing ("*special education*") at California State University (Northridge). Beyond that, David Schied completed yet another year and a half of doctoral-level research and writing on the topic of "*social change*" as it relates to the history and causes of "*public corruption*," and its constitutional remedies through community stewardship and government oversight, through independent grand jury investigations of criminal allegations, and through the revival of private prosecutions against organized crime, domestic terrorism and treason by those freely and openly operating "*world government*" agendas (i.e., a "*new world order*" of United Nations "*collectivists*" ideology for "*sustainable development*" as expressed by "*Agenda 21*" and "*Agenda 2030*") through constitutionally-bankrupt legislators, rogue governments (i.e., fascist regimes of pseudo-government and corporate bureaucracy that is hostile to the *people* as "*free Persons*" of the State and to the United States), and "*mafia-style*" hierarchical organizations running rampant throughout America.

David Schied qualifies in his status as a *Private Public Proxy* by having previously brought very many cases through *de facto* "STATE" and National courts as "*plaintiff*" – first through a corporate BAR attorney and later in his own proper person as a flesh-and-blood man ("*in propria persona*," "*pro per*," "*pro se*," and "*sui juris*"). Additionally, as a "*Private Attorney General*," acting on behalf of himself and fourteen (14) others "*similarly situated*," he researched and wrote the "*Grievant's/Private Attorney Generals/Next Friends David Schied's and Cornell*"

Squires' Memorandum of Law in Support of 'Joinder' Claims of Constitutional and Common Law Torts Based on the First Amendment Petition Clause and Evidence of Domestic Terrorism" which includes information on this "private attorney general" topic. (See "APPENDIX H").¹ The number of cases, motions, appeals, extraordinary writs, and other individual filings over the many years are estimated into the hundreds since 2004. The number of irrefutable and unrebutted Affidavits of commercial claims and criminal complaints submitted during this time frame to the "DEEP STATE," through the *de facto* "STATE" and National courts, with the addition of the "one supreme" Court on at least four (4) previous occasions between 2010 and 2013, number no less than one hundred. ²

¹ This filing has been posted publicly on the Internet, along with all of the supporting documents to that case, since it was time-stamped on 3/31/16, as still available for download at: https://constitutionalgov.us/sub/Michigan/Cases/David-Schied/2015_SchiedvJudgeKarenKhaliletalinUSDCEDM/033116_PAGsSchied&Squires_Joinderof14-ClaimantsCrimeVictims/CoverFiling&MemorandumofLaw/MemorandumofLaw/MemorandumofLawonBLACclaimsonJoinderClaimants_ALL.pdf

² To demonstrate the ominous and threatening degree to which these significant criminal claims against the agents of the *de facto* have been ignored or "dismissed" by the cohorts of these treasonous criminals, "Private Attorney General" David Schied had posted a large consolidated number of these irrefutable and unrebutted Affidavits, commercial claims and criminal complaints online. Notably, these documents were all submitted on 8/30/16 directly to the former "U.S. Attorney General" Loretta Lynch and her "Deputy" and subsequent successor "Attorney General" Sally Yates.

These document deliveries to USAG Lynch was just over a year before Lynch was exposed as having been involved in other treasonous crimes surrounding Hillary Clinton's sham exoneration by FBI Director James Comey, which occurred after Clinton had sent classified information over her private email server and *obstructed justice* by thereafter deleting 33,000 emails. These document deliveries to Deputy Yates also occurred just prior to Yates being fired for her refusal to enforce direct orders from the President in his initial effort to protect the American *people* from the threat of terrorism from Muslim countries. These important criminal allegations and associated "*claims in commerce*" have been posted publicly since that date and are available for download as of 12/1/18 at:

The examples presented herein by the long history of cases brought by *Grievant/Crime Victim/Claimant* David Schied, in repeated attempts to find remedy in what otherwise are blatantly simple matters complicated, compounded and escalated by the treasonously derelict and criminal acts of malfeasance by the DEEP STATE as “*government actors*”, typifies the extent to which the many cases of other American *people* have run their courses in STATE and National “*courts*,” and with STATE and National *prosecutors* and *attorney generals*; so to result in a plethora of evidence of similar *patterns and practices* of racketeering, treason and *domestic terrorism* by private persons otherwise operating “*continuing financial crimes enterprises*” under the fraudulent auspices of being some form of legitimate *government*.

STREAM ONE – “(De Jure) *State(s)* v. (De Facto) *STATE(s)*”
(Michigan State / Texas State v. STATE OF MICHIGAN/ STATE OF TEXAS)

Over the past few decades, and with the advent of the Internet leading to a new revolution in data and information sharing – including court actions, prison records, and news about the breadth and scope of “*government*” corruption – there has been a surge of self-educated men and women who realize that there is a duality system of governance existing within and without the metes and bounds of the continental “*United States [of America]*”.

One system of governance is the original, organic, *de jure* men and women existing as individual *sovereign* entities operating collectively “*on the land*” as the “*True State(s)*” through private contracts and compacts with one another in common law, under the *Law of Nations*, and subject only to the Divine Providence of *God’s Law*.

The other exists as the corporate, administrative, *de facto* office-holders operating as quasi-governmental and non-governmental agencies under

[USAttnyGeneralLynchonEvents+MagisCrime/Exhibits2AffidavitFollowUptoUSAG Lynch/](#)

international (maritime) treaties and limited domestic (civil and municipal) jurisdiction, deemed herein as the “DEEP STATE.”

Comprehending the difference between the two systems of “*foreign*” governance is understanding how the agents of the *DEEP STATE* have historically utilized the “*law of nonintercourse*” to forcibly steal away the rights of men and women as nationals of the *True State*, while selling those rights back under *licenses* as “*privileges*” to those otherwise classified as foreign “*enemies of the state*,” as “*belligerents*,” and “*citizens*” deemed “*subject to the jurisdiction of the United States*” (as the *de facto* National government). ³

In light of the above, alternative communities of *de jure* opposition to the *de facto* – being of American and State nationals of the Republic – are organizing, not only to openly declare that the “*True State*” of the “*Republic*” [for which most Americans view the iconic Flag of the *federal* United States – “Old Glory” – to “*stand*” in representing]⁴ is alive and well, but that those operating treasonously

³ Those who recognize that their property and other rights have been usurped or otherwise taken, even by force of law, have openly claimed these acts as discriminatory, without jurisdiction, and creating “*Bills of Attainder*.” Herein and thereunder, they are being presented in this case as those who claim to have been denied equal treatment in due process by agents of the DEEP STATE. Essentially, Parties are alleging that Counterparties have been operating unlawfully under “*color of law*” while using “*simulated legal processes*” that treat the free Persons (as referenced in the organic federal Constitution) as if they were occupying the federally-controlled “*office of the citizen*” and owing both allegiance and obedience to the *de facto* corporate STATE(s) and/or National governments, whereas such allegiance and obedience is not properly reciprocated and therefore, such *colorful* acts are “*without consent of the governed*”.

Many of these domestic crime victims are keenly aware that such acts of “*collateralizing*” and “*monetizing*” the property and future labor of these born-free Americans are really **acts of war under the “*law of nonintercourse*,”** treating those operating the Constitutional Republic as “*enemies of the (deep) state*,” in violation of the “*one supreme Court’s*” own ruling in Yick Wo v. Hopkins, 118 U.S. 356 (1886) holding that administrators of the law can be held liable for discriminatory acts when enforcing laws targeting certain “*class[es]*” of people.

See also APPENDIX A (pp.75–82) defining “*belligerent*” within the constructive application of the “*law of nonintercourse*,” to include being applied against “*belligerent litigants*” and ordinary American “*citizens*” such as found in the internment camps of those of Japanese descent during WWII.

⁴ The *Parties* named in this case are of the growing number of people in North America who recognize themselves as “*American nationals*” and “*state nationals*,” being non-statutory

and outside of the law in the foreign, *de facto* STATE and National governments of the “*DEEP STATE*” will be held accountable for their breaches of fiduciary duties and punished for their proven corporate (“*war*”) crimes and international human rights violations.⁵

terms to describe one’s birth and/or membership in the constitutional Republic. The difference is in statutory terms, as shown by 3C Am. Jur. 2d § 2690, that of **defining national “citizenship”** as pertaining to persons born in the “*territories over which the United States is sovereign.*” This is in contrast and opposition to the constitutional Republic whereas the *people* are the sovereigns, such as determined in the case of *Yick Wo v. Hopkins*, (*supra*), whereby the “*one supreme*” Court held that **the statutory laws (and municipal ordinances) “violates the provisions of the Constitution of the United States if it confers upon the municipal [or state] authorities arbitrary power, at their own will, and without regard to discretion in the legal sense of the term...”**

Comparatively, Jefferson is quoted as having stated, “*The government created by this compact was not made the exclusive or final judge of the extent of the powers delegated to itself; since that would have made its discretion, and not the Constitution, the measure of its powers.*”

Similarly, in the *Federalist Paper #15: “The Insufficiency of the Present Confederation to Preserve the Union”* Alexander Hamilton wrote, “*Except as to the rule of appointment, the United States has an indefinite discretion to make requisitions for men and money; but they [i.e., “Congress Assembled”] have no authority to raise either, by regulations extending to the individual citizens of America.*”

Further, in evaluating the history and purpose of the Sixteenth Amendment is noted that in *Pollock v. Farmers' Loan & Trust Co.* (1895), “*to tax incomes uniformly throughout the United States was held by a divided court to be unconstitutional.*” Therefore, **as provided by President Howard Taft’s Letter to Congress (June 6, 1909), the “original intent” of the Sixteenth Amendment was to have been that of “taxing the sprawling bureaucracy of the National government,”** and not “*to levy and collect an income tax without apportionment among the States*” against the *free Persons* inhabiting the States of the Republic as precluded and forbidden in the organic Constitution.

The takeaway from all of this is the fact that there are two jurisdictions (*de facto* and *de jure*) and what becomes legislated by the *de facto* can apply only to the *de facto*. These laws do not apply to people of the constitutional Republic. The Sixth Circuit Court of Appeals as much as recognized this when stating in the case of *David Schied v. Leonard Rezmierski, et al* (2013, unpublished): “*It is well-settled law that ‘in American jurisprudence at least, a private citizen lacks a judicially cognizable interest in the prosecution or nonprosecution or another.’ Linda RS v Richard D*, 410 US 614, 619; 93 S Ct 1146; 35 L Ed 2d 536 (1973).” In the “*private*” – in the Republic and outside the “*office of the U.S. ‘citizen’*,” – remedies in common law include the rights of the “*free Persons*” to assemble as grand juries and juries, to institute proceedings with their own private prosecutors, and to implement such remedies in commerce such as liens, distraint and distress.

⁵ Importantly, a key element of the fraud being perpetrated upon the American *people* by the DEEP STATE involves the criminal dereliction of *de facto* STATE and National government agents in refusing to obey the *Supremacy* of the U.S. Constitution and the very same laws that are expected to be obeyed by “*U.S. citizens*,” as purportedly as corporate “*office-holders*”

The Factual Case Histories Of *Private Public Proxy* David Schied

David Schied holds his own lineup of STATE and National “*tort*” and “*trespass*” cases demonstrating the “*DEEP STATE’s pattern and practice*” of denying State and Federal remedies to both statutory and common law claims. The cases he brings forth herein as a “*Private Public Proxy*” and one of the “*free Persons*” referenced by the *Constitution of the United States for the United States of America* are his own private “*claims in commerce*” based upon legitimate “*criminal complaints*” supported by documented evidence to prove harm by “*Bills of Attainder*” and “*Corruption of Blood*.” Each of these cases exhibits “*backward-looking*” characteristics of exhausted *administrative* remedies; with most being also “*access-to-court*” cases. All involve unconstitutional *due process* violations reflective of a *pattern and practice* of *treason*, *sedition*, and *domestic terrorism*. Thus, these cases, as exemplary of all “*similarly situated*” in the *body-politic* of both the *de jure States* of *Michigan* and of *Texas*, are rightly presented herein with claims against the *de facto* STATE OF MICHIGAN and the *de facto* STATE OF TEXAS, in addition to claims against the corporate *de facto* National government. (Hence, “*State v. STATE*.”)

The *pattern and practice* of the *de facto* STATE and National courts aligns with many of those depicted by **APPENDIX E**, as documented in evidence and posted publicly in what “*Private Public Proxy*” David Schied refers to as the “*Article III Court of Record*” throughout the year and half of “*sham proceedings*” at the U.S. DISTRICT COURT FOR THE EASTERN DISTRICT OF MICHIGAN, SOUTHERN DIVISION, as held against David Schied’s persistent protests, in the MUNICIPAL CORPORATION OF DETROIT, in the CHARTER COUNTY OF WAYNE.⁶ As the

referenced by name in ALL CAPS. Originally, these laws were legislated to protect the rights of all freedom-loving American *people*; so as to also “*support and defend the Constitution of the United States against all enemies, foreign and domestic*,” and to stop all unlawful encroachments upon the American constitutional Republic, which has otherwise resulted in the eroding of its ancillary system of *de jure* governance “*by the people*.”

⁶ The online record for David Schied’s “*Article III Court of Record*” has the complete filings to the previously-referenced case of “*Schied v. Karen Khalil, et al*,” as filed in the *de jure* District Court of the United States. This record, being fully “*transparent*,” is to be placed in contrast to the U.S. DISTRICT COURT record, which is incomplete

records show, this single case included reference to many previous STATE and National “*court*” cases; and nearly a year after the case was filed with a single “*plaintiff / claimant*,” fourteen (14) additional “*joinder*” cases with similar claims against “*Defendant*” CHARTER COUNTY OF WAYNE and their “*errors and omissions*” insurance carrier AMERICAN INSURANCE GROUP, INC. (“AIG”) were added, each with irrefutable and unrebutted “*sworn and notarized Affidavits*.”

Evidence of the parallel *pattern and practice* of the *de facto* STATE and National law enforcement and attorney generals is mostly included in the above time-stamped (by the court) “*filings*” to some extent, if even by reference in the many

due to the Article I “*magistrate*” Michael Hluchaniuk “*striking*” four (4) sets of David Schied’s significant filings chock full of referenced evidence of crimes committed “*from the bench*,” “*under color of law*,” and in a “*conspiracy to deprive of rights*,” by a host of STATE BAR OF MICHIGAN members operating as “*domestic terrorists*” while *incognito* as legitimate “*judges*” and “*attorneys*”.

This case included a “*secondary level*” of racketeering offenses designed to cover-up the “*predicate level*” of crimes, and as committed by the so-called “*tribunal*” of fellow terrorists – Guy Cole Jr, Eugene Siler Jr, and Richard Griffin, who were operating under the pretext of being “*judges*” for the COURT OF APPEALS FOR THE SIXTH CIRCUIT – who **dismissed without litigating the merits** of *Private Attorney General* David Schied’s filing of “*Writ of Mandamus in ‘Order for Interlocutory Appeal’ with Accompanying ‘Memorandum at Law’ and Questions of Law on Action Taken by the Court That Conclusively Resolved a Claimed Right by Procedural ‘Motion’ Effectively Unreviewable on Appeal on Final Judgment, But Which is Collateral to the Substantive Merits of the Filings ‘Stricken’ and Has a Final and Irreparable Effect on the Case*” and accompanying “*Memorandum at Law*” and supportive evidence.

This “*Article III Court of Record*” with the complete filings to the previously-referenced case of “*Schied v. Karen Khalil, et al*” was found to be still publicly available for review and download on 12/8/18, as originally posted in 2015 and 2016, at:

The referenced “*Writ of Mandamus in ‘Order for Interlocutory Appeal...*” and accompanying “*Memorandum at Law*” and other documented evidence can also be found imbedded in the above-referenced Article III Court of Record as originally posted at:

“*motions*” and “*responses*” that were filed, along with their respectively corresponding documents of evidence, in the above–referenced case of “*Schied v. Karen Khalil, et al*”.

It shall be noted herein however, that many other proceedings, as well as subsequent, cases involving *Private Public Proxy* David Schied as the “*grievant/crime victim/claimant*” are also being hosted on the very same computer “*server*” as the “*Schied v. Karen Khalil, et al*” case. These additional cases are summarized with connecting links to the evidence in those cases ⁷ as follows below so as to fully inform the many other “*Counterparties*” to this instant case as to the basis of the plethora of “*Criminal Complaints*” and accompanying “*Claims in Commerce*” that are herein presented against them. ⁸

**CASE #1 –
A CONSOLIDATED HISTORY OF MULTIPLE CASES
DATING FROM 1977 – 2012 ESTABLISHING A “CONVICTION” THAT
OTHERWISE NEVER EXISTED**

It was not actually until 2003, in the immediate after the “*9/11 terrorist event*” (deemed later by hundreds of engineering experts to have been an “*inside*” job and “*controlled demolition*” by “*domestic terrorists*”)⁹ that the case history dating back to

⁷ In general, all of these cases can be found in separately–labeled folders dating back to 2008, with those cases appearing after 2015 containing the most comprehensive evidence, inclusive of a plethora of scanned documentation in evidence of the many cases that were “*filed*” and subsequently “*dismissed*” between 2004 and 2013, including cases that were previously filed with the so–called “*one supreme*” Court otherwise operating as *de facto* “*SUPREME COURT OF THE UNITED STATES*.” Those case filings, made ever–more comprehensively available to the public through Internet postings since 2008, remain available as of 3/18/18 at: <https://constitutionalgov.us/sub/Michigan/Cases/David-Schied/>

⁸ Literally all of the *Counterparties* have already been notified about the criminal and civil claims being levied against them here, at least to some extent. Most all have been formally “*served*” by correspondence sent via “*certified mail*,” and some have had such service provided upon them through the “*notary presentment process*” of a “*third party*” (STATE–licensed *notary*) “*witness*.”

⁹ “*Since 9/11, independent researchers around the world have assembled a large body of evidence that overwhelmingly refutes the [federal investigations culminating in*

1977 was actually realized and thus, had its fullest impact of damage, stemming from outdated and erroneous records being maintained by the *de facto* STATE OF TEXAS' DEPARTMENT OF PUBLIC SAFETY, in violation of Texas Administrative Codes requiring regular database updating.

In 2003, this damage impact was compounded by the agents for the STATE OF TEXAS compelling then *Grievant/Crime Victim/Claimant* David Schied to pay for a judicial hearing and an “expunction” of the erroneous criminal history rather than to admit their own multi-decade recordkeeping errors reflecting a 1977 “final disposition” of “probation” and a “status” of “conviction” whereas, in legal terms, neither had existed since 1977, and legally, probation was never been meant to be a “final” disposition (and certainly not to be extended to a quarter-century later) for a first-time teenage offense. (Bold emphasis added)

From 2003, it was the STATE OF MICHIGAN that created the most damage while abusing both STATE and National laws, denying *Grievant/Crime Victim/Claimant* David Schied's codified (5 U.S.C. § 552a) right under the Privacy Act

FEMA's 2002 Building Performance Study and the 2005 and 2008 reports by the National Institute of Standards and Technology (NIST)] that airplane impacts and fires caused the destruction of the Twin Towers and World Trade Center (WTC) Building 7. This body of evidence, most of which FEMA and NIST omitted from their reports, instead supports the troubling conclusion that all three skyscrapers were destroyed in a process known as 'controlled demolition,' where explosives and/or other devices are used to bring down a building.” ...

This “key evidence” is listed as “1) Rapid onset of destruction; 2) Constant acceleration at or near free-fall through what should have been the path of greatest resistance; 3) Numerous eyewitness accounts of explosions including 118 New York City Fire Department personnel; 4) Lateral ejection of multi-ton steel framing members distances of 600 feet at more than 60 miles per hour; 5) Mid-air pulverization of 90,000 tons of concrete, and large volumes of expanding pyroclastic-like dust clouds; 6) Isolated explosive ejections 20 to 60 stories below the ‘crush zone;’ 7) Total destruction and dismemberment of all three buildings, with 220 floors each an acre in size missing from the Twin Towers’ debris pile; 8) Several tons of molten steel/iron found in the debris piles; 9) Evidence of thermite incendiaries on steel beams; 10) Nanothermite composites and iron microspheres found in the WTC dust samples.” As found on 12/8/18 at the nonprofit website of Architects and Engineers for 911 Truth:

of 1974 to “challenge and correct” the identifying “criminal history” documents matching fingerprints obtained by the MICHIGAN STATE POLICE from the FBI ¹⁰

¹⁰ *Private Public Proxy* David Schied has been on the “radar” with the FBI since 1998 when he reported to FBI “Agent” Gene Kennedy being victimized by a career con-artist, John Constantine Golfis, and having discovered a long history of victims in MINNESOTA, TEXAS and CALIFORNIA who had been reporting Golfis’ crimes to local, state and national “law-enforcement” with none of these “government” agencies doing anything about the continuation of these crimes upon a host of additional victims.

At that time, “Agent” Kennedy had candidly told David Schied that the FBI was not inclined to deal with the professional con-artist Golfis, even though David Schied had uncovered at least 70 confirmed other victims of Golfis’ crimes – each losing between \$4,000 and \$200,000 and including two victims of sexual assault. The reason given by FBI Agent Kennedy for the DOJ’s refusal to act anytime before – or after – that meeting on 1998 was because the FBI already had desktops full of other cases in which single victims had lost more than \$1,000,000, and prosecuting those cases with lesser numbers of victims would be much easier and less expensive for DOJ prosecutors.

As a result of the FBI’s and DOJ’s gross negligence and dereliction of fiduciary duty to protect the *people* from this con-man and his numerous other past and future partners in crime, this particular story of de facto “government” crimes spanned another two decades after David Schied was victimized, and expanded to include a vast number of STATE and National government “actors” joining forces with a grander number of other cases in the corporate sector, many which were and continue to be prosecuted in the “federal” courts of Virginia, Wisconsin, Texas, Nevada and elsewhere as involving elaborate criminal schemes involving billions of dollars in corporate fraud against taxpayers, and hundreds of millions of dollars in international art fraud.

David Schied produced a video documentary in 2008 about his 1998 “Golfis story” while bringing events up-to-date with Golfis’ latest crimes, while also revealing a protection racket for the criminal Golfis going on in the “DEEP STATE” of the *de facto* National government of the FBI, as well as in the STATE OF TEXAS, which consisted of, minimally, a former TEXAS city police chief, a sitting TEXAS judge, a TEXAS city mayor, and others of local prominence in TEXAS. That story has been posted for the past near 10 years on the Internet and as of 3/19/18 at:

<http://www.powercorruptsagain.com/category/videos/page/2/>

As a direct result of the criminally negligent acts of the FBI and DOJ, the number of crime victims had both expanded and deepened so to not only include numerous corporations and their “shell” and “holding” companies, but include those with the most wealth both in the “United States [of America]” and internationally...even to include the victimization of The Pope and The Vatican. For more on this, see the following resources:

This also followed a documented history of David Schied having previously obtained two teaching licenses in the STATE OF CALIFORNIA between 2000 and 2002 while teaching full-time in the public school system, without such an apparent incident of erroneous "*criminal history*" reporting and denial of "*federally-guaranteed*" right to "*challenge and correct*" the interstate record received through the FBI.

Further, see the 765–page book of "*Judicial Deceit: Tyranny and Unnecessary at the Michigan Supreme Court*" written by former MICHIGAN SUPREME COURT "*chief judge*" Elizabeth Weaver. This book was written during the two years after she resigned from the Court while blowing the whistle at a press conference on the corruption of the *de facto* STATE Court system, at a time the other "*justices*" of the

gross dereliction of STATE OF TEXAS officials to repeatedly and maliciously create “*Bills of Attainder*” against *Grievant/Crime Victim/Claimant* David Schied through unconstitutional “*double jeopardy*,” through forced “*self-incrimination*,” and the through denial of “*full faith and credit*” to 25 year–old evidence of not only the “*early termination of probation*” (in 1977 accompanied by “*withdrawal of plea*” and “*dismissal of indictment*” as “*judicial clemency*”), but also “*executive clemency*” (in 1983 in the STATE OF TEXAS by formal “*pardon*”) of what was otherwise even then (in 2003) ¹⁴ being maintained by the TEXAS DEPARTMENT OF PUBLIC SAFETY as outdated and erroneous records. ¹⁵

¹⁴ Unbeknownst to David Schied at the time of the “*gubernatorial pardon*” he received in 1983, he was actually ineligible for a pardon for two reasons: First, because “*probation*” was never a “*final disposition*,” no “*conviction*” ever existed as otherwise reflected in the 2003 “*erroneous criminal history report*” received by the STATE OF MICHIGAN from the FBI. Second, because after the “*sweeping-type*” of judicial clemency received in 1977 (i.e., “*withdrawal of plea*,” “*dismissal of indictment*,” and “*set aside of judgment*”), there was no “*conviction*” left anyway to “*pardon*” (as this was reaffirmed years later by multiple STATE OF TEXAS attorney general opinions that the STATE OF MICHIGAN “*judges*” chose to disregard when adjudicating the matter against (“*Plaintiff*”) David Schied between 2004 and 2012).

Essentially, these *Bills of Attainder* were created – repeatedly by the STATE OF MICHIGAN – to cover up common law crimes of *trespass* and *theft* ¹⁶ by their STATE-sponsored local school district officials, as well as to cover-up for what the MICHIGAN judiciary (i.e., MICHIGAN COURT OF APPEALS) was doing to politically support the MICHIGAN DEPARTMENT OF EDUCATION in dismantling the teacher's "union" (i.e., the Michigan Education Association) through an entirely different "class-action" lawsuit (unbeknownst to David Schied at the time), of "others similarly-situated," which was also in the MICHIGAN COURT OF APPEALS about that same time (2004–2009). ¹⁷

Eventually, *Private Public Proxy* David Schied came to realize that the sheer number of *de facto* "government" figures acting in this criminal "pattern and

¹⁶ The claim of "theft" is derived from the corporate STATE OF MICHIGAN allowing a former school superintendent, ("Dr.") Sandra Harris of LINCOLN CONSOLIDATED SCHOOLS, to perpetually place the erroneous FBI "criminal history" record (paid for by David Schied subject to federal privacy rights legislation) into public personnel files and repeatedly distribute the document, along with Harris' own defamatory letters asserting Schied was a "criminal" lying on his job application, to the public under the Freedom of Information Act.

¹⁷ See the Michigan Court of Appeals case of *Eric C. Frohriep and All Others Similarly Situated v. Michael P. Flanagan, Jeremy M. Hughes, and Frank P. Ciloski*, 275 Mich App 456, 464; 739 NW2d 645 (2007). This is a case that began when MICHIGAN DEPARTMENT OF EDUCATION's ("MDE's") "Superintendent of Public Instruction" Michael Flanagan ordered the MDE to distribute "lists of employees in their respective school systems with criminal convictions...[who]...had to be dismissed" from their employment, **but without first verifying the validity and accuracy of the criminal history database being used**. Public rulings and information about this case was compiled long ago and propelled back to the STATE and National court by "Private Attorney General" David Schied as posted on the Internet since 2015 and found on 12/8/18 as pp. 10–20 of the PDF file posted at:

practice”¹⁸ offered sufficient proof that he was not dealing with constitutionally-compliant “*governments*” at all, but instead with *treasonous* agents of self-serving private “*service*” corporations operating *fraudulently in commerce* under public (and stolen) funding.

What resulted from the above amounted to nearly a full decade of costly filings of “*criminal complaints*” and a subsequent *pattern and practice* of “*simulating a legal process*”¹⁹ and other “*circus events*” costing “*Private Public Proxy*” David Schied his reputation, his established career as a public schoolteacher, his family inheritance, his life savings, his retirement, his marriage, and his family...to ultimately force him to the social status of a financial *pauper*, a “*slave*” who was forced to become dependent upon the STATE OF MICHIGAN for support of his dependent child and himself. Even then and thereafter, the STATE OF MICHIGAN committed yet further crimes of tyranny and oppression. However, those events have been relegated herein to a separate set of consolidated “*cases*” reflecting the events that occurred between 2012 and 2018, with additional “*Bills of Attainder*” created by the “*continuing financial crimes enterprise*” otherwise known as the STATE OF MICHIGAN.

¹⁸ See the 50–page “*Sworn and Notarized Criminal Complaint of David Schied (2/10/2010)*,” naming, as criminal cohorts acting in a “*chain-conspiracy*” to “*deprive of rights*,” over 131 agents associated with at least 30 varying STATE and National agencies, departments, bureaus, divisions, offices, etc.. a copy of which was provided minimally to the U.S. COURT OF APPEALS FOR THE SIXTH CIRCUIT, to U.S. Attorney Terrance Berg, and to U.S. Attorney General Eric Holder, as it has been made available to the public for years on the Internet at:

¹⁹ Even the corporate, de facto, STATE OF MICHIGAN has recognized (as part of the fraudulent “*dog and pony show*” they put on for the public at large, that “*simulating a legal process*” is a crime. See MCL 750.157a (“*Conspiracy to commit offense or legal act in an illegal manner*”): “(d) Any person convicted of conspiring to commit a legal act in an illegal manner shall be punished by imprisonment in the state prison for not more than 5 years or by a fine of not more than \$10,000.00, or both such fine and imprisonment...”

For the “*Legal and Factual Background*” to the conglomerate of compounded cases resulting from this criminal dereliction by the “*judges*” of the MICHIGAN COURT OF APPEALS, both individually and collectively, as well as the “*justices*” of the MICHIGAN SUPREME COURT that refused to provide remedy when repeatedly presented with the facts – and by their having set up a corrupt system of “*checks*” via a corrupt MICHIGAN STATE BAR operating through the “*JUDICIAL TENURE COMMISSION*” and “*ATTORNEY GRIEVANCE COMMISSION*” – see again **“APPENDIX H”**.

Immediately upon receipt of the erroneous FBI “*criminal history*” report in late 2003, the interim superintendent of the Lincoln Consolidated Schools, “*Dr.*” Sandra Harris placed into the school district’s “*public personnel file*” bearing David Schied’s name, and she and others began repeatedly disseminating that report to the public under FOIA request – in criminal violation of a plethora of laws and public policy – along with her own defamatory letters accusing David Schied of being a liar and a criminal as written to a laundry list of peer teachers, supervising principals, and to seniors of local teacher’s union. *Grievant/Crime Victim/Claimant* David Schied filed “*crime reports*” on these occurrences in 2004, again in 2006 with another provable FOIA occurrence, and again in 2009 with evidence of yet another occurrence. Yet throughout this time the MICHIGAN STATE POLICE, the local (incorporated WASHTENAW) county prosecutor, and the STATE OF MICHIGAN “*departments*” of “*attorney general*” and “*civil rights*” all refused to address these matters.

Similarly, in 2005, in retaliation for *Grievant/Crime Victim/Claimant* David Schied pursuing civil and criminal claims against the Lincoln Consolidated Schools, a second STATE OF MICHIGAN school district (Northville Public Schools) administration – seeing the former school district employer getting away with their crimes in the face of the “*Frohriep*” class action case and David Schied’s own litigation – Leonard Rezmierski, David Bolitho, and Katy Doer–Parker of the Northville Public Schools teamed up with their representative attorneys at the KELLER–THOMA law firm; and, in additional defiance of a written hiring agreement for David Schied for him to provide the TEXAS “*expunction*” document until he had successfully

completed his “*challenge and correction*” of the 2004 erroneous FBI report that this second school district received, they also began disseminating the TEXAS “*expunction*” document in 2005 to yet a third hiring school district (Brighton Area Schools) acting criminally “*under color of law*” and in violation of their hiring contract, as well as disseminating that “*non-public*” document to the public in response to FOIA requests received in 2006 and again in 2009. Again, throughout this time the MICHIGAN STATE POLICE, the local (incorporated WASHTENAW) county prosecutor, and the STATE OF MICHIGAN “*departments*” of “*attorney general*” and “*civil rights*” all refused to address these matters.

Beginning in 2006, *Grievant/Crime Victim/Claimant* David Schied began filing additional “*crime report(s)*” and “*requests/demand(s) for criminal grand jury investigation*” into these crimes while continuing to pay a STATE BAR OF MICHIGAN member to bring these issues to the UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF MICHIGAN. Meanwhile, the STATE OF MICHIGAN court system and statewide “*law enforcement*” systems joined with the FBI, the U.S. Attorney for the EDM, the U.S. Attorney Generals (Mukasey and Holder), the “*judges*” of the 6TH CIRCUIT COURT, and other U.S. DEPARTMENT OF JUSTICE personnel in grossly “*omitting*” any legitimate address of these criminal matters in their persistent “*decisions*” against “*Plaintiff/Crime Victim*” David Schied.

Thus, on November 26, 2008, *Grievant/Crime Victim/Claimant* David Schied filed joint civil and criminal “*complaints*” with the UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF MICHIGAN, naming three (3) “*U.S. COURT OF APPEALS FOR THE SIXTH CIRCUIT*” judges (Daughtrey, McKeague and Tatenhove), two FBI “*agents*” (Andrew Arena and Rod Charles); the U.S. Attorney General (Michael Mukasey), the then *current* and the *former* U.S. Attorneys (Terrence Berg and Stephen Murphy respectively) for the EDM (i.e., the latter went through the revolving door to become a “*federal*” judge), the TEXAS attorney general (Greg Abbott), several US DEPARTMENT OF JUSTICE personnel in WASHINGTON, D.C. (Shanetta Cutlar and Marie O’Rourke), a former U.S. Pardon’s Attorney and AMERICAN BAR ASSOCIATION member (who stole \$2,000 under

false pretense of pursuing a TEXAS attorney general opinion on David Schied's case of receiving both a "*set aside*" and a "*pardon*") Margaret Colgate Love, and other "*DOES*" of the U.S. DEPARTMENT OF JUSTICE ("USDOJ"). The case was criminally "*dismissed with prejudice*" by the so-called "*federal judge*" Lawrence Zatkoff of the EASTERN DISTRICT OF MICHIGAN on 3/25/09.

The essence of all this decade-long history of strife and suffering by *Private Public Proxy* David Schied in effort to find some form of *remedy* and *accountability* in STATE and National government systems, is that both before 2009 and since then through 2012, *Grievant/Crime Victim/Claimant* David Schied had gone through the MICHIGAN court system and the National court system (on multiple cases) in repeated report of compounding injuries due to the continuing crimes against him by *de facto* ("*DEEP*") STATE OF MICHIGAN and National "*government*" officials.

On 4/11/2011, *Private Public Proxy* David Schied sent the "*one supreme*" Court copies of a plethora of STATE and National "*judicial misconduct*" complaints, along with clear and concise statements in reference to the "*Appendix of Exhibits*" accompanying "*Petitioner*" David Schied's "*Motion to Extend Time to File Writ of Certiorari*" in an offshoot case of "*David Schied v. Ronald Ward, Ken Hammon, Kirk Hobson, Patricia Meyer, Karen Ellsworth, Jessica Murray, Jennifer Bouhana, Patricia Ham, and Joe D. Mosier, in both their individual and official capacities*", being those associated with the BRIGHTON AREA SCHOOL DISTRICT, a former employer of David Schied that retaliated (by conspiracy) when it/they found out in 2007 that David Schied was on "*appeal*" to the COURT OF APPEALS FOR THE SIXTH CIRCUIT on a previous "*federal*" suit against three "*superintendents*" of other MICHIGAN school districts (Sandra Harris and Fred Williams of LINCOLN CONSOLIDATED SCHOOLS and Leonard Rezmierski of NORTHVILLE SCHOOLS), the MICHIGAN governor (Jennifer Granholm), and the STATE OF TEXAS' "*director*" of the DEPARTMENT OF PUBLIC SAFETY (Thomas Davis). The filing has long been posted publicly in the Internet since 2011, being hosted by the University of Michigan as of 3/12/18 at:

<https://ctools.umich.edu/access/content/user/dschied/Public%20Portfolio%20Files/BASMot2ExtndTime4WritofCert.pdf>

Importantly, this 106–page filing to the “*Supreme Court of the United States*” included detailed “*judicial misconduct*” complaints, a follow–up letter of complaint dated 2/13/2010 about the “*mishandling of judicial misconduct complaint*” by the 6th CIRCUIT COURT’s “*Circuit Executive*” Clarence Maddox (p.54 at the above–referenced link), and a letter sent just five days after that (dated 2/18/18) addressed to “*Chief Justice*” John G. Roberts, Jr. and to James C. Duff as “*Director*” of the Administrative Office of the United States Courts (p.58 at the above–referenced link). In a familiarly established “*pattern and practice*,” none of these formal communications were ever addressed by the *de facto* National actors as addressees.

On that same date of 4/11/2011, *Private Public Proxy* David Schied sent a **second** set of the same “*appendix*” documents to the “*one supreme*” Court on the second of three actual cases filed in that Court, the third case being for a “*Petition for Writ of Mandamus*” ordering the ceasing and desisting of the criminal acts going on in the STATE OF MICHIGAN and in the “*federal*” EASTERN DISTRICT OF MICHIGAN. ²⁰

The second of these three cases filed with the Court in Washington, DC pertained to a case that Private Public Proxy David Schied had filed on behalf of his dependent child, “*Student A*,” against the agents ²¹ of the NORTHVILLE PUBLIC SCHOOLS, the KELLER–THOMA law firm, the MICHIGAN DEPARTMENT OF EDUCATION, the MICHIGAN DEPARTMENT OF CIVIL RIGHTS, the CHARTER COUNTY OF WAYNE’s “*RESA*” (REGIONAL EDUCATIONAL SERVICE AGENCY), and the U.S. DEPARTMENT OF EDUCATION’S OFFICE OF CIVIL

²⁰ An Internet news article about these filings of Private Public Proxy David Schied was written by Sharon Rondeau of The Post & Email as still posted on 3/21/18 at: <https://www.thepostemail.com/2011/08/30/michigan-citizen-files-two-judicial-corruption-cases-with-u-s-supreme-court/>

²¹ Those specifically named in this case were: Scott Snyder, Lynn Mossoian, Kenneth Roth, Richard Fanning Jr, David Soebbing, Harvalee Saunto, Donna Paruszkiewicz, Mary Fayad, Susan Liebetreu, Donald Yarab, Catherine Anderle, and Arne Duncan, in both their individual and official capacities.

RIGHTS, and the U.S. SECRETARY OF EDUCATION. This case involved the continual “*dismissal*” of civil complaints about school officials repeatedly violating of the “*Individuals With Disabilities in Education Act*” (“IDEA”) in retaliation against former employee David Schied through action taken tortuously against his child where David Schied’s former employer, the MICHIGAN school district of NORTHVILLE PUBLIC SCHOOLS was also where Grievant/Crime Victim/Claimant David Schied’s child attended elementary school while all of the above was playing out on the “*employment*” front.

By 2012, (“*Private Public Proxy*”) David Schied had completed numerous documentaries on the victimization of others with varying but similar horror stories of finding no remedies in the STATE OF MICHIGAN, in the U.S. DISTRICT COURT FOR THE EDM, and in the SIXTH CIRCUIT “*courts*.” In 2012, *Private Public Proxy* David Schied completed yet another video explaining his own endeavors while levying **criminal indictments** upon the MICHIGAN attorney general and governor, upon the so-called “*justices*” of the MICHIGAN SUPREME COURT, upon the then *acting* U.S. Attorney General Eric Holder, and upon the “*justices*” of the so-called “*UNITED STATES SUPREME COURT*”. That 42-minute narrated documentary, captioned “*David Schied Levies Criminal Allegations Against Eric Holder and the U.S. Supreme Court Justices*” has been posted since 2012 – and remains posted as of the date of this writing – on the Internet at:

<http://www.powercorruptsagain.com/category/videos/>

Throughout this decade between 2003 (when Lincoln Consolidated Schools’ interim-superintendent “*Dr.*” Sandra Harris first initiated her own and the others’ ongoing crimes) and 2013, the agents of the “*DEEP STATE*” – operating as members of the STATE BAR and the AMERICAN BAR in “*simulated legal process*” opposing the civil and criminal allegations presented by David Schied – placed *Grievant/Crime Victim/Claimant* David Schied under a false light of acting with “*angst*” as a disgruntled and vindictive “*paper terrorist*”. They did so while also painting the opposite picture of the *de facto* STATE and National *agents* – despite the clear intent of their dereliction of fiduciary duties, their criminal negligence, their tortuous

“errors and omissions”, and their other “domestic terrorism” acts – as being entitled to “immunity” while “in performance of their jobs.” ²²

**CASE #2 –
A CASE OF TREASON AND DOMESTIC TERRORISM INVOLVING
“CRIMINAL ABDUCTION” AND “FALSE IMPRISONMENT”**

On June 8, 2012, *Grievant/Crime Victim/Claimant* David Schied was sitting quietly in the public gallery of the “17TH DISTRICT COURT,” a “*continuing financial crimes enterprise*” operating within the “*CHARTER TOWNSHIP OF REDFORD*” in the “*CHARTER COUNTY OF WAYNE*” when he was terrorized, criminally abducted, and falsely imprisoned six counties away for 30 days under a trumped up charge of “*criminal contempt of court*” by the named “*domestic terrorist*” Karen Khalil and her entourage of criminal thugs. *Grievant/Crime Victim/Claimant* David Schied had been invited earlier that week to sit along with four others on that day to “*witness*” that day what was otherwise supposed to be the “*informal hearing*” for a “*Redford Township*” resident who believed he was being criminally harassed and “*shaken down*” by extortion threats, and through “*simulated legal process*” being conducted by a racketeering organization operating as if they were legitimate government entities.

The events that actually occurred that day were recorded by sworn and notarized Affidavits of the witnesses,²³ showing how the maniacal actions of that

²² As shown by the case of *Miller v. United States*, [569 U.S. ____ (2013)], there is no “immunity” for acts committed that go beyond the scope of authority that has been delegated; that is, ultimately, the scope of authority delegated “*knowingly*” and “*willingly*” by the “*consent*” of the *people*, being the “*free Persons*” referenced by the organic “*federal Constitution of the United States for the United States of America*.”

²³ Three of the *affidavits* of these witnesses that were present on the day of the terrorist event, as they were initially filed along with the common law tort and trespass “*Cause of Action*” filed in the *de facto* National court and posted publicly on the Internet since that date, are posted online as found on 12/8/18 at:

https://constitutionalgov.us/sub/Michigan/Cases/David-Schied/2015_SchiedvJudgeKarenKhaliletalinUSDCEDM/Complaint&ClaimforDamages/

STATE-sponsored “*judge*” shocked the conscious of all who experienced those “*state-created dangers*” for David Schied. These unchallenged and irrefutable affidavits, as well as by “*press releases*”²⁴ issued by a respected “*senior citizen*” who was present to the *terrorist event*, as he was one of those present and auditing the activities of those operating the taxpayer-funded so-called “*courtroom*”. These witness “*affidavits*” with factual testimony describing what happened that day, as well as several days later when trying (repeatedly) unsuccessfully to retrieve copies of transcripts, a judgment order, docketing records, (or any other formal documentation of the event), have been posted since that day in which *Grievant/Crime Victim/Claimant* David Schied was placed into a continuing “*STATE-created danger*.”

Over 40 individual “sworn and notarized affidavits” that have never been challenged or rebutted and stand in common law as irrefutable facts

This “CASE #2,” chock full of a long history and an overwhelming amount of publicly-posted evidence proving “*domestic terrorism*” at the STATE and National (“*DEEP STATE*”) levels as centralized in the “*EASTERN DISTRICT OF MICHIGAN*” and within the domain of the “*COURT OF APPEALS FOR THE SIXTH CIRCUIT*,” began with “*Private Public Proxy*” David Schied sitting quietly along with other in the public gallery of a local SE MICHIGAN “*DISTRICT COURT*” courtroom (who were quietly *auditing* this court as “*court-watchers*”) and being violently threatened to stand by gun-toting bailiffs, shockingly *kidnapped* by instruction of a maniacal “*judge*” Karen Khalil, and *falsely imprisoned* six counties away under what was a year-and-a-half later uncovered to be a fraudulent “*Judgment Order*” constructed and signed by Khalil.

²⁴ A series of press releases began being issued the day following *Grievant/Crime Victim/Claimant* David Schied’s abduction and false imprisonment, by eyewitness David Lonier as posted since 2015 and found still on the Internet as of 12/8/18 at: <http://heros-heroines.blogspot.com/2012/06/michigan-court-watcher-david-schied.html>

After nearly three years of seeing that no STATE BAR attorney would dare to take the case against the “*system*” that employs them, *Grievant/Crime Victim/Claimant* David Schied eventually filed his own “*Cause of Action*” ²⁵ as an “*Article III Court of Record*”²⁶ in the *de facto* National criminal enterprise known as the U.S. DISTRICT COURT FOR THE EASTERN DISTRICT OF MICHIGAN. ²⁷

On 8/25/16, after over a full year of attorneys for the “*defendants*” conducting a “*simulated legal process*” at mostly the “*taxpayer*” expense, then “*Private Attorney General*” David Schied submitted “*61 Exhibits*” to the U.S. DISTRICT COURT FOR THE EASTERN DISTRICT OF MICHIGAN ²⁸ as proof that the MICHIGAN STATE BAR attorneys defending MICHIGAN “*judge*” Karen Khalil, operating the 17TH DISTRICT COURT in the CHARTER TOWNSHIP OF REDWORD, were lying when informing the “*federal*” court (between 2015 and 2016) that “*Private Attorney Generals*” David Schied’s and Cornell Squires’ had nothing but bogus claims against

²⁵ The initial documents of filing for that case, with sufficient (“*sworn and notarized affidavit*”) statements and evidence to prove “*domestic terrorism*,” have been posted since that case began in mid-2015 where they are still, as of 3/21/18, at:

https://constitutionalgov.us/sub/Michigan/Cases/David-Schied/2015_SchiedvJudgeKarenKhaliletalinUSDCEM/Complaint&ClaimforDamages/

²⁶ The entirety of documents comprising that “*Article III Court of Record*” has been posted to memorialize the manner in which an unaccountable **92-year old, lifetime employed** “*federal judge*” and two criminal accomplices posing as “*Article I federal magistrates*” conspired to “*simulate legal process*” for more than a full year before then “*procedurally dismissing*” that case.

²⁷ The case also meticulously documents how and when the U.S. COURT OF APPEALS FOR THE SIXTH CIRCUIT “*judges*,” “*clerk of the court*,” and “*case manager*” all participated “*in concert*” with the STATE BAR OF MICHIGAN members operating in the STATE OF MICHIGAN to criminally deprive *Grievant/Crime Victim/Claimant* David Schied of all forms of civil “*due process*,” and to “*victim protection*” from his alleged criminal perpetrators, as otherwise required under STATE and NATIONAL “*crime victims’ rights*” laws.

²⁸ Evidence of the 8/25/16 submission to the (USDCEM) has been posted since that date, and stands still posted as of 12/8/18 at:

https://constitutionalgov.us/sub/Michigan/Cases/David-Schied/2015_SchiedvJudgeKarenKhaliletalinUSDCEM/082516_MyDefaultJudgmentFolwupCrimeRpt&MemofPeoplesRights/MyExhibits/Exhibits2AffidavitFollowUp/

the CHARTER COUNTY OF WAYNE'S criminal operatives and their corporate “*risk management*” insurance companies. These “61 Exhibits” were accompanied by a second tier of sworn and notarized statements explaining the relevance of these documents by numbered statements under the captioning of:

“Sworn Follow-Up Affidavit and Crime Report of David Schied in Report on 8/22/16 of Additional Crimes Committed by Magistrate Stephanie Davis, Who is Working as a ‘Domestic Terrorist’ Along With Other U.S. District Court Judges, Clerks and Magistrates Under Employ in the Eastern District of Michigan and in the U.S. Court of Appeals for the Sixth Circuit to Coerce the People and the Government of this District.”²⁹

Within a week afterwards (on 8/30/16), David Schied sent these same “61 Exhibits” to U.S. Attorney General Loretta Lynch, the former U.S. Attorney General of the UNITED STATES in Washington, D.C., and her two cohorts, (former “*Deputy*”) Attorney General Sally Yates and Associate Attorney General William Baer, in all of their private capacities as well as in their official capacities.³⁰

As a matter of *significant public importance*, the “Sworn Follow-Up Affidavit and Crime Report of David Schied in Report on 8/22/16...” contained 28 itemized paragraphs, many with subparagraphs, summarily detailing the contents of the each

²⁹ This second of two distinctly different “*crime reports*” was time-stamped as having been received about that same date (on 8/25/16) by the “*U.S. DISTRICT COURT FLINT MICHIGAN*”. The “Sworn [and Notarized] Follow-Up Affidavit and Crime Report of David Schied...” has been posted on the Internet since that date where it was to be found as of 12/8/18, at:

³⁰ Evidence of the 8/30/16 second “*follow-up report on ongoing racketeering and corruption crimes being carried out ... under the nose of U.S. Attorney Barbara McQuade...*”, as submitted to Attorney General Loretta Lynch and her “*Deputy AG*” Sally Yates, has been posted ever since that date, and stands still posted as of 12/8/18, at:

of the “61 Exhibits” that had been “*filed*” – first, with the U.S. DISTRICT COURT, and second, with the Office of the U.S. Attorney General Loretta Lynch and her associates – included (at least) 42 sworn and notarized Affidavits depicting the reported crimes of “*(DEEP STATE) domestic terrorists*”.³¹ Yet, there has since been absolutely no response to *any* of these irrefutable and un rebutted criminal and factual allegations, by either the named “*co-Defendants*” of the *de facto* National court of the EDM, or by any of the named agents of the USDOJ.

Just the month prior to that, on 7/18/16, Private Attorney General had sent a 5–page cover letter addressed to “*U.S. Attorney General*” Loretta Lynch, ³² which was accompanied by a different, previously–sent 23–page “*Sworn Affidavit and Crime Report of David Schied*”.³³ In response, the U.S. Department of Justice had (in delayed fashion) at least issued an “*ID number*” (#3482111). Nevertheless, that such acknowledgement was deceptively one of receiving what USDOJ misleadingly construed to be a “*letter*” while grossly “*omitting*” any reference to the “*Sworn*

³³ The fuller title of this 23–page document is “*Sworn and Notarized Crime Report of David Schied in Report on 7/18/16 of Crimes Committed by U.S. District Court Judges, Clerks and Magistrates Under Employ in the Eastern District of Michigan and in the U.S. Court of Appeals for the Sixth Circuit*”. Affidavit and Crime Report’ that accompanied that letter, which was referenced right on pp.2–3 of that 5–page letter.

Notably, since that time in mid–2016, the American *people* have uncovered the crimes committed by Loretta Lynch and Sally Yates, as well as others of their associates under employ of the *de facto* USDOJ, and these *people* are now demanding criminal prosecution of these DEEP STATE operatives for their “*treason*” and “*obstruction of justice*.” For instance, see any of the following as reported into the national news:

a) The Hill reported (Jonathan Easley on 6/23/17) that...

“... a majority of voters say former Attorney General Loretta Lynch should be investigated for [her] election year [‘tarmac’] meeting [on 6/29/16] with former President Bill Clinton that took place while the FBI was investigating Hillary Clinton’s use of a private email server from her time as Secretary of State.” ³⁴

b) As also reported by the Legal Insurrection alternative news websites, “[T]he key facts we know now but did not know then are...”³⁵

1. The tarmac meeting was planned, not spontaneous, as previously misrepresented to the public by Loretta Lynch, with clear evidence that the mainstream media was colluding with the DOJ to bury this profound impropriety immediately after the meeting. ³⁶
2. On August 7, 2017, Loretta Lynch used alias “*Elizabeth Carlisle*” to email about the Bill Clinton tarmac meeting ³⁷ and afterwards was compelled to solicit edited “*talking points*” from DOJ attorney Paige Herwig for Obama administration press statements. ³⁸

3. The FBI has tried its best not to produce documents regarding the tarmac meeting, and when it did, those documents focused heavily on how the meeting was discovered. ³⁹
4. Though the FBI decided not to charge Hillary Clinton, the drafts of the exoneration statement now are public, and show a concerted effort to reword the language to support exoneration; and that these drafts took place prior to the tarmac meeting and prior to the interview of Hillary on July 4th (2016) weekend. ⁴⁰
5. Senior FBI agent Peter Strzok, who was part of the team investigating Hillary, was removed from the Mueller investigation of supposed Russia collusion in the summer of 2017 for sending anti-Trump text messages (though the removal was not disclosed for several months). Strzok was involved in editing and softening the draft exoneration statement of FBI Director James Comey after he had taken over a role that the DOJ would have normally taken in the matter. 6) Strzok was having an affair with FBI lawyer Lisa Page, and based on publicly released text messages, they concluded that Hillary Clinton would not be charged and suggested that Loretta Lynch knew the outcome of the FBI's probe into Hillary well in advance. ⁴¹

c) With regard to Sally Yates, it suffices to show that U.S. House of Representatives Paul Gosar (Arizona) named Yates along with James Comey, FBI Deputy Director Andrew McCabe, and Attorney General Rod Rosenstein, as being those against which “*treason charges*” are persistently being demanded in 2018. ⁴²

**CASE #3 –
A CONSOLIDATED HISTORY OF MULTIPLE CASES
DATING FROM 2016 – 2018 (PRESENT) VERIFYING BY “*DECLARATION OF
TRUTH*” THE “*COMPOUNDING OF RACKETEERING CRIMES*” BY STATE AND
NATIONAL “*CONTINUING FINANCIAL CRIMES ORGANIZATIONS*”**

During the two-week period between 11/27/17 and 12/11/17, *Private Public Proxy* David Schied spent time composing – with fully supportive documents and video documentaries – yet another of his many indisputable factual accounts describing a plethora of criminal acts constituting *racketeering*, *treason*, and *domestic terrorism*. While compiling the supporting documents on what was eventually to be itemized as sixteen (16) separate “*examples*” of “*criminal*” situations in which he was targeted for (multi-tiered) victimization, he placed these situational accounts in the form of a 54-page sworn and notarized “*Declaration of Truth*,” which he autographed before a STATE notary public on 12/11/17. ⁴³

This sworn and notarized “*Declaration of Truth*” serves also now as an **undisputed** compilation of “*ledgers of damages*” depicting the extent to which he has been forced by “*fiduciary officials*” to go – thus far – in order to get proper remedy for crimes of *domestic terrorism* that have been perpetually ignored and left unresolved by certain “*patterns and practices*” of DEEP STATE behaviors. Thus, this “*Declaration of Truth*” provides the detailed documentation of the “*ways and means*” in which *Private Public Proxy* David Schied had established “*Claims of Damages in Commerce*” that are inextricably intertwined with the many “*Criminal Complaints*” that he has “*filed*” since just 2016 against the various corporate “*persons*” or “*actors*” associated with the STATE OF MICHIGAN and the *de facto* National corporation herein referred to as the “*DEEP STATE*.” Significant to these “*ledgers*” that have all

been properly “*served*” – many by a third-party “*notary witness*” – is the fact that those named as the “*respondents*” and “*debtors*” to these claims have all left these claims unchallenged. In common law terms, such silence to these “*Affidavit(s) of Obligation(s)*” and “*Claim(s) of Debts in Commerce*” against these alleged criminal perpetrators amounts to acquiescence.
