RE: Deceptive Patterns and Practices of Persistent DENIALS of: 1) STATE MEDICAID (a.k.a. “Medical Assistance”); 2) Untimely, Improper and ILLEGAL ANSWERS to OPEN RECORDS REQUESTS (Demands for Government TRANSPARENCY); 3) Honest Government Services;

RE: Report of even more CRIMINAL FRAUD by DSS “supervisor” Angie Reichert, DHS agent Kelly Warner, and DSS “Regional Manager” Tom Eads – who are intentionally CONSPIRING to create a fraudulent “official” paper trail for purposes of “DENIAL OF RIGHTS UNDER COLOR OF LAW”

Re: Request for “Reasonable Accommodations” under the ADA by way of “Extra Time” and “Interpreter/Administrative” Services in completing ECONOMIC ASSISTANCE APPLICATION RECERTIFICATION for Elderly, Poor, and “Totally and Permanently” Disabled Quad-Amputee.

To the SOUTH DAKOTA GOVERNOR, DEPARTMENT SECRETARIES, STATE “Functionaries”, and People Who Propagandize “Disability Advocacy” and “Assist[ing] people with disabilities of all ages on their path to lifelong independence” at WESTERN RESOURCES FOR INDEPENDENT LIVING:

The documented acts of GROSS NEGLIGENCE and MALFEASANCE of the EXECUTIVE BRANCH throughout 2021 now justify taking these matters to the COURTS for civil litigation, to the LEGISLATURE for criminal IMPEACHMENT proceedings, and to the PRESS for common law remedies.

I am writing for the twofold reasons referenced above as highlighted on the previous page – FIRST to recap the events having taken place over the course of this past year of YOUR collective deprivation of my rights to STATE “Medical Assistance” (“MEDICAID”), and SECOND to respond to YOUR untimely and deceptive letters of 1/11/22 and 1/18/22 sent to me by Angie Reichert, as well as the “(SNAP) RENEWAL NOTICE” sent to me by Sharon Maher. I will address the matters separately below on the following pages.

First, to be noted: I am a 64 year old Anglo-American male who has been “*totally and permanently disabled*” and rendered “*Medically Fragile*” and at an “*Nursing Home or Institutional ‘Level of Care’*” since I entered the hospital as “*incapacitated*” in March 2018, with my legs and fingers having been amputated in May 2018.

To whom it may concern:

David is a patient of mine. He has had amputations of 7 of his fingers and bilateral below the knee amputations. He is permanently and totally disabled. From his amputations he is essentially a quad amputee. Because of these amputations he has difficulty completing ADLs and is frequently home bound due to complications of his amputations. David is dependent on equipment for his daily life and is essentially considered nursing home or institution level of care.

Sincerely,

Daniel Berens DO

With regard to the “DECEPTIVE PATTERNS AND PRACTICES of persistent DENIALS”:

A. STATE MEDICAID – As you are all already well-aware:

I have attempted to resolve the matters of YOU acting on behalf of the Sovereign People of this STATE OF SOUTH DAKOTA refusing to act on my behalf to remedy my declaring myself to being a bona fide “*CRIME VICTIM*” and “*REFUGEE*” from the STATE OF MICHIGAN from where I fled under “*Threat of Life and Death*” when CRIMINALLY EVICTED last winter during a NATIONAL “*COVID*” PANDEMIC and accompanying EVICTION MORATORIUM. As you know, YOUR “*Attorney General*” **Jason Revnsborg** and his so-called “*investigator*” **Richard Bauman** – being preoccupied by Revnsborg pleading “*no contest*” to criminal prosecution for “*involuntary manslaughter*” – were derelict in refusing to properly respond to my reports of needing crime victim and other services upon my arrival to South Dakota in *homelessness* as shown by the RECORD of correspondence in late Winter 2021.

As you also are already well aware, I spend the entirety of last year engaging (minimally) in the following written and oral dialogues with your FUNCTIONARIES to no avail when requesting that your STATE agents and principals provide constitutional “*Full Faith and Credit*” to the FACT that I had arrived here with MEDICAID COVERAGE issued in the STATE OF MICHIGAN from March 2018 when I was rendered incapacitated by SEPSIS DISEASE, which nearly cost me my life, and did cost me my two legs and seven fingers due to surgical amputations on May 5th and May 7th (2018) respectively, rendering me forever after a “*totally and permanently disabled quad-amputee*” and a WELFARE BENEFICIARY for the rest of my natural life.

 012922 – Livestock show 1 minute meeting with Kristi Noem on refusal of STATE to provide MEDICAID – received Office Staff business card and told by Noem to contact as “*something’s wrong*”

What is starkly obvious from the above RECORDS is the fact that nobody missing two legs and all but one pinky finger should need to go through all of the above in fighting STATE functionaries – to anywhere fractional to this extent – in order to receive MEDICAID “*Medical Assistance*”, especially being that this all began as I was just three (3) years post-amputations and still in many forms of recovery with “*special needs*” ... AND reporting myself to be a bona fide CRIME VICTIM of recent forced homelessness by the agents of another STATE.

Secondly, the details contained in the above-referenced RECORDS reflects that not only has the functionary agents and principals of the STATE committed numerous acts of “*deprivation of rights under color of law*” (civil: 42 U.S.C. § 1983; criminal: 18 U.S.C. § 242) but executed in such fashion with deceptive qualities characteristic of a criminal conspiracy by a RICO organization (18 U.S.C. § 242; 18 U.S.C. § 1961 *et seq.*) These claims are particularly underscored by the combination of EVIDENCE surrounding the following:

- a) The FRAUDULENT paper trail being generated by Angie Reichert and the DSS pertaining to the existence of a “*second application*” is superseded by both the previous long history of formalized COMPLAINTS about the improper handling of the STATE functionaries of my “*first application*” for MEDICAID (a.k.a. “*Medical Assistance*”) and the EVIDENCE I located in public records that not only are these STATE agents disregarding the letter and the spirit of both STATE and UNITED STATES laws when denying me MEDICAID; but so too, all of these “*discriminating women*” as “*gatekeepers*” employing Critical Race Theory and Gender Bias have documented questionable backgrounds liken to male-bashing, racial discrimination, and Marxist-Socialist programs sponsored by the NIH and their Chinese Communist Party (CCP) finance partners.
- b) That to cover up my LEGAL inquiries and demands under the STATE and UNITED STATES “*Open Records*” laws and FREEDOM OF INFORMATION ACT for

government transparency about the “*qualifications*” of the DSS/DHS “*Team*” of women who are DENYING me MEDICAID based upon their own biased and unwritten criteria for qualifying and disqualifying my eligibility based upon “*level of need*” – **cited only as such in writing but revealing on RECORDED phone conversations that is it “because [I] can ‘shower’” myself (without legs and crawling onto a bench in the shower) and “dress” myself (albeit with only pullover shorts and T-shirts)** – the BAR attorneys of the EXECUTIVE BRANCH, being **Jenna Howell** and **Jeremy Lippert**, are first delaying “*open records*” responses for well over three (3) months beyond what is allowed by law, but also then DENYING every single one of the document inquiries/demands on the qualifications of the functionaries themselves, as well as the written criteria for establishing the “*policies and procedures*” being used by these DSS/DHS agents and principals for disqualifying me from receiving MEDICAID. (See the lame and late “*answers*” below as written out by Howell and Lippert in persistent DELAY and DENIAL responses to my reasonable OPENS RECORDS requests issued both on 6/2/21 and again on 8/7/21, as sent on the following documented dates (as shown in the subsequent pages).

ATTENTION Jenna Howell, Jeremy, Shawnie Rechtenbaugh, Kim Malsam-Rysdon, Laurie Gill, and Kristi Noem:

By this letter, I am hereby OBJECTING to and DENYING your assertion that you need six (6) more weeks – beyond the previous three (3) weeks you stated you needed, which is beyond the previous six weeks that you forcefully TOOK prior to that (by failure altogether to even acknowledge my SECOND "Open Records" reminder that my FIRST "Open Records Request for Documents" had remained totally ignored by your collective STATE "Departments" of the DOH, the DHS, and the DSS - to "answer" my SECOND "Open Records Request for Documents".

Let's review the past RECORD of dereliction for possible consideration that it may so GROSSLY NEGLIGENT and with demonstrated MALFEASANCE as to warrant CRIMINAL allegations:

1) As a "totally and permanently disabled quad-amputee" and reported "crime victim", on 6/2/21, I "filed" my FIRST COMPLAINT and OPEN RECORDS (a.k.a. "FOIA") "REQUEST FOR DOCUMENTS" with your "wheel" and "chain" collective of "agents and principals" as shown by the relevant graphics below as my UNREBUTTED PROOF.

I say "unrebutted" because - when NONE OF YOU provided any reply or "ANSWER" to either the COMPLAINT or to the OPEN RECORDS REQUEST - I wrote a SECOND COMPLAINT, more detailed than the first and jam packed with furthering EVIDENCE against ALL OF YOU, in addition to the SOUTH DAKOTA ATTORNEY GENERAL, spotlighting your high levels of dereliction, gross negligence, and malfeasance of duties to both ANSWER THE COMPLAINT and ANSWER THE "REQUEST FOR DOCUMENTS". Again, NONE OF YOU have responded - other than through gross LIES of STATE attorneys Jenna Howell and Jeremy Lippert.

Dear Mary Rea,

UNANSWERED COMPLAINT #1

The FORM that was attached to your email must have been the wrong form. It was not a "payment reimbursement" form, it was a "taxpayer identification" form. I am not a "taxpayer". I am a "beneficiary" of public welfare.

Please provide the legislative grounds for having me complete a W-9 "Verification of Employment Authorization" or other "tax-identification" document, assuming this document is exactly the one that you appear to be coercing me to "sign under [criminal] penalty of perjury". This request is herein sent to you - as the agent for the principal of "SD DEPARTMENT OF HUMAN SERVICES / LONG TERM SERVICES AND SUPPORTS" - under the STATE Laws of Transparency, being South Dakota's FREEDOM OF INFORMATION ACT. Please also note that this request is being made with the purpose of showing "how government operates", and as such, I am requesting a **WAIVER OF FEES AND COSTS** to fulfill this request. Note that I believe myself also qualified for waiver because I have recently reported myself to be a CRIME VICTIM, a recent REFUGEE, a destitute, and a pauper living entirely on the welfare of others as those "taxpayers" for whom you may wish to have identified.

As long as you are at it, please also provide all documents that justify your reasons for denying my transportation costs in delivering the electric wheelchair to the doorstep of the business so that they could change out the batteries on the electric wheelchair at literally no added cost (beyond MY cost for delivery of the chair to THEIR doorstep).

What I am trying to determine - with the intent of sharing with others exactly how government works - is whether government is actually promoting a more expensive SOCIALIST system in which I - as on of the sovereign People and as a totally and permanently disabled quad-amputee - would have been deemed "better off" for following a complicated (and possibly prohibitive to disabled persons) path to having an entirely new electric chair ordered for thousands of dollars in cost from a "medically approved" DEALER (in what appears to be a growing FASCIST society) or whether my taking a private (and clearly much cheaper) path to a simpler and quicker resolve (in practical, private, and COMMON LAW terms) makes me "better off". As things look so far, my good faith efforts to keep things simple are resulting in CRIMINAL THREATS that I cannot appreciate in the least, particularly as a disabled person.

For this ONE TIME, I will allow the fulfillment of this FOIA request to be sent to me at my post office box. Please send the documents requested in timely fashion, in accordance with time restrictions allocated by the SOUTH DAKOTA legislature, to the following address:

Bcc: Dave Schied,

To (Gov.) Kristi Noem, and (AG) Jason Revnsborg and Kim Malsam-Rysdon, et al:

I am sending two emails, each as Part 1 and Part 2 of a total 116 pages ATTACHED, consisting of the following as delivered here by me as a "totally and permanently disabled quad-amputee" being DENIED MEDICAID for the last six (6) months since my arrival to this STATE reporting myself also to be a CRIME VICTIM.

By some assurance from Rep. Dusty Johnson's office, I am hoping with anticipation that Katy Murray and Jim Selchert (of Sen. Mike Rounds' office) will ensure, through their own close channels, that Governor Kristi Noem and Attorney General Jason Revnsborg will receive forwarded copies of my correspondence (given that Gov. Noem's "email" only allows attachments up to 4 MB in size and AG Revnsborg provides no email whatsoever that I could find for "reasonable accommodation" to disabled persons to communicate with him in a "preferred FORM" to that limited by his public website).

- 1) "CONSTRUCTIVE DENIAL" OF MEDICAID by the STATE to recent "totally and permanently disabled quad-amputee" based on the single criteria of being able to "bathe myself";
- 2) "CONSTRUCTIVE DENIAL" OF "FULL FAITH AND CREDIT" by the STATE to previous recipient of MEDICAID upon arrival to S. Dakota as a declared "REFUGEE" and "CRIME VICTIM" from the CORRUPT "STATE OF MICHIGAN";
- 3) "CONSTRUCTIVE DENIAL" OF MEDICAL REIMBURSEMENT to the same based upon "REFUGEE's" and "CRIME VICTIM's" questioning of COERCION by the STATE to sign "UNDER PENALTY OF PERJURY" to identify himself as a "TAXPAYER" rather than a "BENEFICIARY" of the WELFARE SYSTEM;
- 4) "CONSTRUCTIVE DENIAL" OF "CRIME VICTIM RIGHTS" and TO "VICTIM ASSISTANCE / SERVICES";
- 5) "NOTICE OF STATE VIOLATION" OF "PUBLIC RECORDS LAW" upholding "government transparency";
- 6) NOTICE OF "NEW" and "ADDITIONAL" demand for "access to public documents" with "reasonable accommodations" required under the AMERICANS WITH DISABILITIES ACT and "fee waiver" guidelines by there being a matter of "public interest";

The details are all inclusive about my current COMPLAINT; and they include a thorough but relevant list of documents requested under the OPEN RECORDS legislation for this STATE.

Thank you in advance for your time in serious attention to these very pressing matters.

Cordially yours,
David Schied

2) While ignoring altogether the associated COMPLAINT(s) going along with the above-referenced TWO (2) SEPARATE and DIFFERENT "OPEN RECORDS REQUEST(S) FOR DOCUMENTS" (inclusive that the STATE was already in VIOLATION of the first OPEN RECORDS REQUEST (dated 8/2/21) by non-answer, it was not until nearly SEVEN (7) WEEKS LATER - and fully TWO (2) WEEKS after my SECOND OPEN RECORDS REQUEST and NOTICE OF VIOLATION that Jenna Howell and Jeremy Lippert, acting on behalf of the STATE DEPARTMENTS, wrote their first "FRAUDULENT LETTER OF COERCION AND CONSTRUCTIVE DENIAL" stating "under color of law (SDCL 1-27-37)" vaguely promising a "response" to my SECOND "request" but ignoring altogether everything referenced in that letter dated 8/7/21 pertaining to the STATE being already in VIOLATION of SOUTH DAKOTA'S "OPEN RECORDS LAWS".

Dear Mr. Schied,

On behalf of both the Department of Human Services and the Department of Social Services, this letter is acknowledgement of your records request, received on Sunday, August 8, 2021. This letter is intended to inform you that the Departments will need additional time, pursuant to SDCL 1-27-37, to locate and assemble the information requested and/or to determine whether any of the information requested is not subject to disclosure.

We are continuing to review your request and expect to have a response or responses to you within three weeks of the date of this letter.

Sincerely,

Jenna E Howell

Counsel, Department of Social Services

SDCL 1-27-37 does NOT authorize **TWO UNREASONABLE** and LAME excuses to stall a “*totally and permanently disabled quad-amputee*” what is **otherwise owed to him to assist him in identifying the qualifications of the STATE functionaries** who are barring him from fully participating in his own medical treatment decisions and countering with STATE documents that which he, himself has presented months before in both SOUTH DAKOTA and UNITED STATES laws in evidence that the STATE should be supplying the MEDICAID that was taken away once he arrived from the STATE OF MICHIGAN as a reported CRIME VICTIM and homeless REFUGEE..... and then DENY such documents altogether later.

S.D. Codified Laws § 1-27-37

Current through the 2021 Second Special Legislative Session

Section 1-27-37 - Written request for disclosure of records

If an informal request is denied in whole or in part by the custodian of a document or record, a written request may be made by the requestor pursuant to this section:

(1) A written request may be made to the public record officer of the public entity involved. The public record officer shall promptly respond to the written request but in no event later than ten business days from receipt of the request. The public record officer shall respond to the request by:

(a) Providing the record in whole or in part to the requestor upon payment of any applicable fees pursuant to §§ 1-27-35 and 1-27-36;

(b) Denying the request for the record; or

 (c) Acknowledging that the public record officer has received the request and providing an estimate of the time reasonably required to further respond thereto;

(2) Additional time to respond to the written request under subsection (1)(c) of this section may be based upon the need to clarify the nature and scope of the written request, to locate and assemble the information requested, to notify any third persons or government agencies affected by the written request, or to determine whether any of the information requested is not subject to disclosure and whether a denial should be made as to all or part of the written request;

(3) If a written request is unclear, the public record officer may require the requestor to clarify which records are being sought. If the requestor fails to provide a written response to the public record officer's request for clarification within ten business days, the request shall be deemed withdrawn and no further action by the public records officer is required;

(4) If the public record officer denies a written request in whole or in part, the denial shall be accompanied by a written statement of the reasons for the denial;

Dear Mr. Schied,

FRAUD

As shown above, the original letter for mv ORIGINAL "Open Records Requests" was dated on 6/2/21 with mv "NOTICE OF DEFAULT" and "NEW Record Request" dated 8/7/21.

Below are the Department of Human Service's responses to your records requests of August 8, 2021, as acknowledged in response letters on August 20th and September 9th. Our responses are given to the requests in the order they were submitted.

1. No granting or denial letter was sent to your request for "the legislative grounds for having [you] complete a W-9". Per SDCL 1-27-37 (5), for this reason, the request is deemed denied. In reviewing your new request, this denial stands, because DHS is not relying on a particular statute. A W-9 is required so that all information required for the accounting system is recorded. South Dakota state statutes and administrative rules can be found at <https://sdlegislature.gov/>. For legal advice, please consult with a private attorney.
2. a. Personnel information is not an open record, except for salary and routine directory information. SDCL 1-27-1.5 (7). For any request beyond the public information, your request is denied.

h. Laurie Gill does not work for the Department of Human Services, so no information is being provided in our response.

i. Jason Ravensborg does not work for the Department of Human Services, so no information is being provided in our response.

j. Richard Baumer does not work for the Department of Human Services, so no information is being provided in our response.

3. Requests for internal notes, transcripts or conversations are denied pursuant to SDCL 1-27-1.5 (12). South Dakota's laws and administrative rules can be accessed at <https://sdlegislature.gov/>.

RE: Information Request

Dear Mr. Schied,

The Department of Social Services' (DSS) is in receipt of your public record requests of August 8, 2021, as previously acknowledged in response letters on August 20 and September 9. DSS can provide the following responses to your requests, in order:

1. No granting or denial letter was sent from DSS pursuant to your request for "the legislative grounds for having [you] complete a W-9." DSS did not request the W-9 in the instance you refer to.
2. Laura Nord (or Charter), Rogine Page, Mary Rea, Leslie Lowe, Kim Malsam-Rysdon, Shawnie Rechtenbaugh, Jason Ravnsborg, and Richard Baumer do not work for DSS, so DSS has no information to provide for them.

As for Laurie Gill and Nancy Giovanetti, per SDCL 1-27-1.5(7), personnel information, other than salary and directory information, is not a public record open to inspection or copying. Therefore, DSS cannot provide their personnel records. Salary and routine directory information can be found for state employees at <https://open.sd.gov/employees.aspx> and <https://apps.sd.gov/dp51SWPB/DP51InternetSearch.aspx>.

3. Pursuant to SDCL 1-27-1.5(12) correspondence, memoranda, calendars or logs of appointments, working papers, and records of telephone calls of public officials or employees are not records open to inspection or copying. Therefore, DSS cannot produce them. South Dakota's laws and administrative rules can be accessed at https://sdlegislature.gov/Statutes/Codified_Laws and <https://sdlegislature.gov/Rules/Administrative>. SDCL 28-6 contains state statutes with respect to Medicaid, and ARSD 67:16 contains rules regarding covered medical services.
4. DSS has no data or information responsive to your requests (a) or (h) through (o). for the remaining requests (b) through (g), DSS does not have separate categories for tracking "quad-amputees," "quadriplegics," or "permanently and totally disabled." Because this

would require us to create a type of report that does not currently exist, the information you request is not subject to production under the open records laws pursuant to SDCL 1-27-4. In an effort to be of assistance, DSS can provide the following information:

- As of October 11, 2021, there are 9,884 individuals on LTC Medicaid. Of those individuals, 2,759 are in nursing facilities (including hospice and swing beds) and 7,125 are not.
 - Since 2017, DSS has completed 3,695 disability determinations. Of those determinations, 2,134 individuals were found disabled, and 1,535 were found not disabled; also, in 26 instances DSS upheld a Social Security Administration determination of no disability.
 - Non-emergency medical transportation to covered medical appointments is covered with no cost share for full coverage Medicaid recipients.
5. DSS cannot provide legal advice as to all laws pertaining to refugees or crime victims. As noted above, South Dakota's laws and administrative rules can be accessed at <https://sdlegislature.gov/>.
 6. DSS cannot give legal advice regarding possible crimes or penalties. Provisions regarding South Dakota's open records laws are generally found in SDCL 1-27, which can be accessed through <https://sdlegislature.gov/>.
 7. DSS has no information responsive to this request.
 8. DSS has no information responsive to this request.
 9. DSS has no information responsive to this request.

To the extent you consider this to be a denial, in whole or in part, please refer to SDCL §§ 1-27-35 through 1-27-44 for any remedies that may be available to you.

Sincerely,

Jeremy Lippert

Dear Ms. Fox,

My initial experiences with Arlette Stelter were first documented in my letter of COMPLAINT to the following STATE agents and their principal, Gov. Kristi Noem, in response to my being deprived of the MEDICAID (state "benefits") that I otherwise had arrived to South Dakota with from Michigan as provided by need this past three years after my two legs and seven of my fingers were surgically amputated.

This includes the illustrious STATE GOVERNOR, all of whom I had written to separately at least twice BEFORE the above letter of 8/3/21 (began on 6/19/21).

The bottom line for me, on the other hand, is that I will need to continue my "battle" with the *agents* of a noncompliant and nonresponsive STATE whose very existence is predicated (in relevant part) upon "services" to the poor, the elderly, and the disabled such as me.

4) It was clear by the DATED EVIDENCE that Jenna Howell and Jeremy Lippert - acting as STATE BAR attorneys, and the "representatives" of the Laurie Gill and Shawnie Rechtenbaugh, as well as representatives of the STATE DEPARTMENTS and the STATE itself with Kristi Noem at the helm and the "non-contested" alleged CRIMINAL of the STATE ATTORNEY GENERAL Jason Ravensborg as their "chief law enforcement official" and "of counsel" legal advisor – have no intention of honoring either the spirit or the letter of the AMERICANS WITH DISABILITIES ACT in providing "reasonable accommodations" or the DUTIES OF OFFICE relative to fulfilling my needs as an elderly person, as a disabled person, or as a poor person, being of the three most "vulnerable" class of people existing in our American society. The PROOF is in the "pudding" as in the EVIDENCE both above and below.

Both Howell and Lippert waited until the very last day of their FRAUDULENT "3-Week Notice" - leaving me to write the above letter on 9/11 when I had still not received their innuendo about receiving their "response" within three weeks (to my SECOND OPEN RECORDS REQUEST) - to actually "write" one freakin' paragraph to inform me that they intended to TAKE SIX MORE WEEKS whether I like it or not ... and not even sending that letter out to me until 9/10 knowing full well that I would not be receiving it until AFTER the very EXTREME end of that first FRAUDULENT 3-week period of COERCED wait against me as a disabled person, an elderly person, and a poor person in clear need of "MEDICAL ASSISTANCE" and responsible enforcement of FEDERAL SOCIAL SECURITY LAWS as well as the STATE laws that I had referenced in my multiple UNANSWERED COMPLAINTS. Dear Mr. Schied,

On behalf of both the Department of Human Services and the Department of Social Services, this letter a follow up to our initial letter of August 20, 2021. This letter is intended to inform you that the Departments will need further time, pursuant to SDCL 1-27-37, to locate and assemble the information requested and/or to determine whether any of the information requested is not subject to disclosure.

We are continuing to review your request and expect to have a response or responses to you within six weeks of the date of this letter.

5) The EVIDENCE of the above shows that the LAWS of the STATE and the UNITED STATES are being blatantly violated by Howell and Lippert, as well as the rest of you who will likely altogether follow your "chief legal counsel" Ravensborg in claiming "NO CONTEST" in the face of my both "civil" and "criminal" allegations of GROSS NEGLIGENCE and MALFEASANCE in the continually DENYING me and the PEOPLE (i.e., "TAXPAYERS") OF SOUTH DAKOTA our respective Right(s) to "Honest Government Services".

The laws MANDATE that I be provided with the appropriate "Medical Assistance" IMMEDIATELY - not merely after numerous indefinite DELAYS as is shown herein above.

The laws MANDATE that the FEDERAL FUNDS provided to the STATE be used to ELIMINATE DEPENDENCY of the disabled, not INCREASE DEPENDENCY upon the indefinite and FRAUDULENT promises of STATE attorneys and "DIRECTORS" and the complete negligence of their boss, the GOVERNOR, to respond to the plethora of correspondence sent to her.

The laws MANDATE people who are "eligible for services" under the SOCIAL SECURITY ACT - who are otherwise "unable to protect their own interests" relative to not be subject to "service fees" or "neglect or abuses" by way of seeking remedies against the same - NOT BE SUBJECT TO THE SAME ABUSE FROM THOSE WITH WHOM THEY ARE SEEKING HELP.

The laws MANDATE that NOBODY FALL THROUGH THE CRACKS in the bureaucracy!

The law also MANDATES that the direct responsibility for all of the enforcement of the above be placed squarely on the shoulders of the "principal" of the ATTORNEY GENERAL and his/her "agents". In this case, that is Jason Ravensborg and his agents of Jenna Howell and Jeremy Lippert, with Kristi Noem as the "Governor" responsible for keeping them all in line with FEDERAL MANDATES tied to the funding of the above to people like me.

6) For any of YOU who are unwilling to admit that Howell and Lippert are the agents of the "the accused manslaughterer" AG Ravensborg, think again:

7) This NOTICE includes not only a reminder of Howell's and Lippert's "secured" PERFORMANCE OBLIGATIONS to me and to the rest of the Sovereign People - as BONDED and/or INSURED under OATH and DUTIES under the STATE and UNITED STATES constitutions; but also now BONDED by this NEW CONTRACT effective immediately. The terms of this new contract are simple. As these STATE "representatives" are COERCING me to do their WORK for them, while expecting also that I do such labors of "INVOLUNTARY SERVITUDE" without "just compensation" - being a persistent violation of the THIRTEENTH AMENDMENT - I am submitting the FEE SCHEDULE below. Each and every instant whereby I am forced by circumstance to do administratively what they are otherwise duty-bound to perform under the law, I will be CLAIMING a new debt of \$2,000,000, first on behalf as myself in DAMAGES, and second on behalf of the other Sovereign People of the STATE and UNITED STATES as "taxpayers" who are pay the undeserved salaries of these "deadbeats". Future CLAIMS will be made against these amounts under both STATUTORY LAW and the COMMON LAW. Again, this contract begins IMMEDIATELY.

Be hereby advised that you are being DENIED the referenced "six (6) weeks" you are attempting to COERCE by abuse against a "totally and permanently disabled quad-amputee", and an elderly and poor white American male.

As such, you have five (5) days to provide your ANSWERS to BOTH the COMPLAINTS and the OPEN RECORDS REQUESTS presented to you (the STATE) on 6/2 and 6/7 as provided by reference (graphically as irrefutable PROOF). Failure to provide such ANSWERS as DEMANDED will indeed result in my taking these matters totally out of the hands of the EXECUTIVE BRANCH and placing them into the JUDICIAL BRANCH with my administrative CLAIMS (as according to the FEE SCHEDULE above) attached by COMMON LAW actions against YOU in your "private" as well as your "public" capacities, given that you are clearly acting OUTSIDE the scope of your dutiful legal performance.

Cordially yours,
David Schied

C. The above 19 pages altogether exemplifies the DENIAL of "Honest Government Services", considered both an "unconstitutional" violation, and a (conspiracy to a) CRIME under both STATE and UNITED STATES laws, as well as the Common Law under the reign of the Sovereign American People.

RE: Report of even more CRIMINAL FRAUD by DSS "supervisor" Angie Reichert, DHS agent Kelly Warner, and DSS "Regional Manager" Tom Eads – who are intentionally CONSPIRING to create a fraudulent "official" paper trail for purposes of "DENIAL OF RIGHTS UNDER COLOR OF LAW"

The above context of the DSS and DHS agents and supervisory principals – including BAR attorneys and "*officers of the court*" Jenna Howell and Jeremy Lippert and their supervisory principals and ATTORNEY GENERAL Jason Revnsborg and his functionary "*minion*" Richard Bauman – is important; as it proves a conspiracy to deceive as an intent. So too does the following add to that proof against the STATE in the event this matter results in litigation before a JURY of the Sovereign People.

- 1) After waiting a month from a RECORDED phone conversation with Linda Williams and other supervisory staff of WESTERN RESOURCES FOR INDEPENDENT LIVING and seeing they were doing nothing to advocate or follow-up, I telephoned agents of the STATE "MEDICAID" office on 11/22/21 in attempt to reason with STATE agents myself on my ongoing DAMAGES resulting from their civil and criminal acts against me. After wasting over a half hour in RECORDED phone conversations with DSS receptionist "Kathy" and derelict DSS employee "Julie", I was finally put in touch with DSS fraudster and "supervisor" Angie Reichert who granted my persistent request for an in-person meeting at the DSS office to which I had been referred in RAPID CITY by a private insurance sales agent professing to have once been employed by that office and a more recent former "*federal court witness*".

On the phone, I had informed fraudster Reichert in no uncertain terms that my intent in setting up this intended face-to-face meeting was to ensure that "*a picture [of me in person] says what 1000 words*" and answers all of their questions about my "*level of need*". In reply, fraudster Reichert informed me of her intent to DENY me any discussion about persistent denials of my initial application for MEDICAID and instead hand me a "*new application*" to take home and return it back at a later date. In response, I informed fraudster Reichert of my intent that – as she was insisting that I complete something "*new*" in order to discuss the SAME issues dating back to my "*first application*", that such a "second" application would reflect a DATE of the original application for which I sought a MEANINGFUL discussion.

Below and on the next two pages is that so-called "new application" – that I now refer to as an "ADDENDUM to the previous application" which is dated 3/23/21.

Please note that my email bounced back because I failed to include Mr. Eads first name in the email address. We disabled people surely are not infallible; however we DO seem to have to take full accountability for both our own mistakes and those of the STATE agents who get paid by TAXPAYERS to execute their various levels of dereliction and malfeasance as detailed below.

Now you all have his "corrected" email address. Again, my apologies for this miscommunication.

Dear Angle Reichert (Long Term Care Supervisor) and Tom Eads (Regional Manager).

In follow up to our meeting yesterday afternoon at 3:15, I wish first to apologize to Ms. Reichert for the misinformation I asserted in having sent her information that was sent instead about that same time and day to to another woman by thr name of Amber at the Black Hills Advocate, which is also in Rapid City and who I expect is also, as you say "trying to help" me. To set things straight, I had sent to Amber two "proof of denials" of my Open Records Requests - one from the corrupt BAR attorney working for the DSS and another from the corrupt BAR attorney working for the DHS, each refusing to "show me the law" or to provide me with requested personnel records revealing the qualifications of Laura Charter, Rogine Page and the other of the 14 people of the STATE (under employ of Kristi Noem of the EXECUTIVE BRANCH of SOUTH DAKOTA government) that altogether REFUSE to "show me the law" that authorizes their DENIAL of my CLAIMS for needed help. My letter to Amber and others at Black Hills Advocate also included the email denial last March from Jennifer Lewis, who I had thought was, like Angie, the "Supervisor" of "Long Term Services and Supports" for the DHS or WHATEVER. Again, your DEPARTMENTS, BUREAUS, DIVISIONS, SECTIONS, AGENCIES, UNITS, etc. may be convenient for all of you for "finger-pointing"; but it is not my job to know the differences and keep track of all those differences because you all answer to - and will be awarded court "immunity" by the JUDICIAL BRANCH for being collectively acting as "agents" on behalf of the "principal" of "THE (DEEP) STATE. Thus, from the onset, I will not tolerate Mr. Eads attempts to start the meeting by stating that I am talking to the "wrong" people. I am talking to the STATE as my government servants; and you are talking to me as "One of the Sovereign People. I may be otherwise considered as your government "Master". Again, without We, The (Disabled) People, none of you would even have a job.

...

- 4) After receiving my 9-page DETAILED email letter above (also attached in full), Tom Eads and Annie Reichert proceeded to work with their other STATE "functionary" Melynda Wangsness, to institute the following fraudulent paper trail – which is expected to be used later by the STATE ATTORNEY GENERAL and his agents in the event of litigation, to defraud STATE and/or UNITED STATES courts, again "*under color of law*" for the criminal purpose of "*depriving of rights*" (a pattern and practice uncovered about the government "*actors*" of the STATE OF MICHIGAN in previous years).

From the moment that this fraudulent paperwork commenced, the STATE functionaries took matters into their own hands to COERCE me and treat me as if my own involvement in medical decision-making made no difference whatsoever. This was a major violation of both the letter and the spirit of the STATE and UNITED STATES laws governing the institution of MEDICINE. Thus, on 12/13/21 – after the DSS approved the financial aspects of my qualifying for MEDICAID, the agents acting for Tom Eads, Laurie Gill and Kristi Noem passed off the "*new application for MEDICAL ASSISTANCE*" to the agents for Shawnie Rechtenbaugh and Kristi Noem for improper "*railroading*" of this case in the very same fashion and with the very same "*team*" of people that mishandled the "*first application for MEDICAL ASSISTANCE*" in March 2021, for which the above-referenced "*ADDENDUM to the first application*" was added.

The corrupt, tyrannical "*team player*" who telephoned me in attempt to COERCE an "*assessment*" of my home environment was DSS "*Long Term Supports Specialist*" Kelly Warner, who lied, refused to cooperate with me in providing me with important related information, who repeatedly displayed contempt through interruptions to my reference to the LAWS, and who ultimately hung up on me. The RECORDING of that conversation is publicly posted for all to hear at:

http://www.ricobusters.com/wp-content/uploads/2022/02/121321_KEY-DHSKellyrudehungup-refusedtoprovideinfo.wav

Apparently, DSS functionary “lied by omissions” to her supervisor Angie Reichert – or instead conspired with Reichert – in claim I was refusing to schedule a “level of care assessment” about me without revealing the above numerous FACTS revealing that I, as a “totally and permanently disabled quad-amputee” struggling to maintain both “dignity” and “independence” in my community, had long been COERCED to surrendering both dignity and independence to DEPENDENCY totally upon the STATE’s complete refusal to provide me with requested and demanded critical information about the written “qualifications” of the people involved in the ongoing DENIALS OF MEDICAID and the written LAWS and/or written “POLICIES AND PROCEDURES” being used for the previous year to DISQUALIFY me based upon what otherwise appeared to be a completely discretionary and prejudicially biased and unwritten “level of care” criteria.

Re: Phone call with Department of Human Services, Long Term Services and Supports (DHS/LTSS) staff on December 13, 2021,

Dear Mr. Schied:

Why is this DHS “Team” not disclosing that this “staff” was named as Kelly Warner?

This is a follow up to the conversation when DHS/LTSS staff reached out to you on December 13, 2021 to schedule a time for your assessment for waiver services.

You declined to schedule a time for the assessment until you were provided full identities, credentials, and qualifications of everyone involved in determining your eligibility. Staff will provide identification when coming into your home for the assessment.

Why is this DHS “Team” not disclosing that it was Kelly Warner who refused to “cooperate,” who was rude and interruptive, and who hung up on me?

Cooperation with the assessment process is a requirement of waiver service eligibility. If you wish to proceed with the assessment process, please reach out via Dakota at Home at 1-833-663-9673 to communicate that you are ready to move forward with the next phase in the process. Thank you.

Sincerely,

Division of Long Term Services and Supports

Why am I, as a disabled one of the Sovereign People under God, being DENIED the ability to fully participate in my own medical “assessments” by evaluating the qualifications of these government SERVANTS judging my “level of” medical “needs”?

NOTE: This DOCUMENT **CONTAINS MULTIPLE** **“OPEN RECORDS REQUESTS”**

Open Records Request #1 – I request all STATE records revealing:

- a) the names and titles of the DSS “Team” Members associated with Angie Reichert;
- b) the names and titles of the DHS or DSS “Team” Members associated with Kelly Warner;
- c) the names and titles of the DHS DIVISION OF LONG TERM SERVICES AND SUPPORTS responsible for the letter displayed above dated 1/5/22;
- d) the personnel records for all of the above to include any written COMPLAINTS from any person whatsoever on any of these agents operating – in whole or in part – as the “STATE OF SOUTH DAKOTA”.
- e) The CORPORATE/GOVERNMENT accountability and supervisory structure CHART of the entire DHS for the years 2020-2021, and for 2021-2022, leading up to the GOVERNOR as the head of the EXECUTIVE BRANCH.
- f) The CORPORATE/GOVERNMENT accountability and supervisory structure CHART of the entire DSS for the years 2020-2021, and for 2021-2022, leading up to the GOVERNOR as the head of the EXECUTIVE BRANCH.

On 1/11/22, DSS Angie Reichert – acting on behalf of the entirety of the SOUTH DAKOTA (Gov. Kristi Noem) and its DEPARTMENT OF SOCIAL SERVICES (Laurie Gill) wrote the following **two** additions to her (and her DSS “Team’s” and the DHS “Team’s”) “**FRAUDULENT PAPER TRAIL**”, both of which were sent by mail to me **with a 3-DAY DEADLINE of 1/14/22** [as a man who does not drive myself, who is being COERCED by the STATE to grovel or pay for my own transportation to pick up my private mail because I have no legs or fingers and choose to maintain a separate mailbox away from my residence for fear of being revictimized as I undergo civil litigation against the people in MICHIGAN who criminally evicted me from my previous home (because only MEDICAID allows me to have “access” to the community transportation without paying or groveling in the face of being repeatedly asked for “donations” by public transit drivers)] – **which did not arrive to me until 1/22/22**. Again, **this is knowingly a FORCED DENIAL OF MY RIGHTS to fair treatment!**

Linda Williams

This is a phone call that took place after Linda Williams (admittedly) delayed my TWO previous requests for "help" on 10/22/21 and on 10/26/21 without so much as any form of courtesy call back.

These were the participants in the surprise phone call conducted on all their behalves by Linda William on 10/29/21 – whereby she began the call by asking me to tell her the areas of disability (law) about which I needed advocacy (for STATE actors to comport with the law), and after I clearly informed all of these WESTERN RESOURCES "advocates" of these areas, they nevertheless did NOTHING whatsoever in follow-up. The RECORDED audio link is at: http://www.ricobusters.com/wp-content/uploads/2022/02/102721_KEY_LindaWilliams-WesternResourcescallbackwithSuperBoardMem-30min.wav

In the above-referenced RECORDED conversation on 10/29/21, I clearly conveyed the following FACTS in response to Linda Williams feinting concern for me as a disabled person calling for help by asking "How are you?" and "What is it exactly that you want me [and 'us'] to advocate for you?"

- 1) **"I NEED MEDICAID"** – Because the STATE agents are continually refusing to provided me with needed STATE MEDICAID insurance coverage, I as a "*totally and permanently disabled quad-amputee*" am left with only two choices regarding the acquisition of needed medical services from the medical community: Either I go into debt slavery and the ruining of my personal and credit reputation by privately contracting with private medical service providers for the 20% costs of prescribed medical treatments, which MEDICARE does not provide for (if provided at all by the national government) WHEN I HAVE NO "*INCOME*" AND HAVE NO MEANS OF PAYING THESE COSTS prescribed by my doctors, or, settling on the FACT that the doctors and medical service providers offering services to me that I need WILL REFUSE TO PROVIDE THESE NEEDED SERVICES BECAUSE I CANNOT CONTRACT WITH THEM AND THEIR "*DEBT COLLECTORS*" for debts that I already know that I cannot pay "*as a disabled person with no legs and no fingers*";
- 2) **I was** criminally evicted during the middle of the Winter, during national PANDEMIC, and EVICTION MORATORIUM while paying rent and complying in all other aspects with the laws, and the after arriving to the STATE OF SOUTH DAKOTA as a refugee **asking for help**

on behalf of myself as well as on behalf of the Sovereign People of South Dakota who would now be compelled to be paying for my medical costs for which the Taxpayers of the STATE OF MICHIGAN otherwise shirking responsibility; and that I was denied such help as a reported CRIME VICTIM because the ATTORNEY GENERAL was more preoccupied with his own “*defense*” to being placed on criminal trial himself for manslaughter.

- 3) I needed further assistance in getting back the SOCIAL SECURITY payments that were illegally taken from me by the U.S. TREASURY and SOCIAL SECURITY ADMINISTRATION for many months after MEDICARE kicked in and the STATE OF MICHIGAN and CENTERS FOR MEDICARE AND MEDICAID used the COVID PANDEMIC as the basis for their dereliction and (criminal) GROSS NEGLIGENCE in refusing my calls in requests for assistance in completing proper application documents to keep this “*hardwired*” and streamlined process for “*deducting MEDICARE PREMIUMS*” from depriving me of that money from the time MEDICARE went into effect until Linda Williams could competently assist me in getting “*qualified*” and keeping the same thing from happening after I arrived to South Dakota.
- 4) I am being denied for MEDICAID based upon “level of need” without anyone defining IN WRITING the procedures or the laws defining how “levels of needs” are determined and the qualifications of those making the determination to DENY me (repeatedly) based upon this criteria WHILE ALSO COMPLETELY DISREGARDING MY MULTIPLE WRITTEN COMPLAINTS and DENYING all of my “Open Records” document requests for this information under the laws of “government transparency” ... all in violation of the “Open Records” laws.
- 5) I am being DENIED transportation services (or being compelled to ask for special treatment and forgiveness for “inability to pay”) because I do not have MEDICAID, which otherwise pays the costs for me to get to and from doctors and medical service providers; and I thus need help in getting that rightful access to my community without having to humiliate myself with groveling for rides – as otherwise required by both STATE and UNITED STATES laws governing the treatment of disabled people “*with dignity*”.
- 6) Because Linda William’s phone call was unplanned (without any courtesy whatsoever to me as a supposedly “*fully informed*” disabled man in charge of my own daily scheduling and without Linda Williams having first scheduled such an “*important*” meeting with her “*supervisor*” and “*CORPORATE board*” present on the call with me), I needed this conversation to resume at a later time because Linda William’s “untimely call” was at that very moment interfering with my need to finish getting dressed and catching a scheduled transportation vehicle to take me to doctor-prescribed physical treatment for myself (to which Linda Williams responded by insisting that she take even more of my time anyway on the phone instead of honoring my kindly stated wishes and expressed needs).

As clearly depicted by the RECORDED phone conversation, in response to all of the above, Linda Williams – acting on behalf of all of the rest at WESTERN RESOURCES FOR INDEPENDENT LIVING – whose names she intentionally kept undisclosed over the phone, only had the following to assert, more in “*defense*” of her own past inadequacies after apologizing for her persistent failures to respond prior to this, and informing me of what she and the others were NOT, and what they were NOT going to do “on my behalf”:

- a) “Our organization... We are not legal people. We are NOT attorneys; we DON’T profess to be attorneys. We just get people ‘hooked up’. ... “
- b) “I do have several resources that YOU can ‘tap into’ ... (but again she and the others NEVER conducted any further follow-up in the three months that followed).

- c) On the call, Williams insisted in only taking more of my own requested time on the clear chance that she would cause me to be late for a transportation pickup by her “*untimely call*”.
- d) NONE OF THE ABOVE ADDRESSED MY DETAILED ANSWER TO HER INITIAL QUESTION OF “*What is it exactly that you want me [and ‘us’] to advocate for you?*” (as depicted above and at the beginning of this RECORDED phone call, now made public at the following website location):

http://www.ricobusters.com/wp-content/uploads/2022/02/102721_KEYLindaWilliams-WesternResourcescallbackwithSuperBoardMem-30min.wav

What appears to be either UNDATED or on or about the dates of 1/1/22 (which is doubtful because STATE employees typically have a holiday on NEW YEARS DAY) and 1/7/22 respectively, DSS DIVISION OF SOCIAL SERVICES "EA BENEFITS SPECIALIST" Sharon Maher or her agents sent me TWO UNSIGNED "NOTICES" pertaining "my" SNAP "BENEFIT" as a WELFARE RECIPIENT (i.e., as I am NOT a "TAXPAYER" and have no "INCOME" as defined by the INTERNAL REVENUE CODE). The above "Notices" bring into question two important issues that must be lawfully addressed:

First, the notices continue to make use of a FEDERAL "Income Tax" word applicable to "TAXPAYERS," which I insist does NOT apply to me as a "WELFARE RECIPIENT" receiving "BENEFITS", not "income" (including what Sharon Maher and her fellow "agents" of the DSS "principal" refer to as "unearned income".

Second, forcing me (i.e., by language of "you must") to provide administrative assistance for information that is readily available to the STATE "agents and principals" enabling them to continue servicing a "totally and permanently disabled quad-amputee" and WELFARE RECIPIENT - who is NOT A TAXPAYER, who RECEIVES NO "INCOME" (i.e., "SOCIAL

SECURITY is defined as a **"BENEFIT"** not as taxable **"income"** because it was already TAXED as **"Gross Income"** in previous decades as I contributed to the SOCIAL SECURITY SYSTEM in my youth at a time that I was then a **"TAXPAYER"**). I cannot, therefore, be taxed TWICE on this **"contribution"** already previously taxed; as again, **I RECEIVE NO "INCOME"** but instead only receive WELFARE **"BENEFITS"** and SOCIAL SECURITY **"BENEFITS"**.

This is a misuse of this FEDERAL **"tax"** word by the STATE for unconstitutional purposes of **"involuntary servitude,"** a blatant violation of the THIRTEENTH AMENDMENT since there is no **"consideration"** or compensation for this DEMAND made upon me (as one of the Sovereign People) by the STATE.

NOTE: This DOCUMENT CONTAINS MULTIPLE "OPEN RECORDS REQUESTS"

Open Records Request #3 – I request all STATE records related to:

- a) Any and all STATE legislation providing the exact definitions for the words **"INCOME"** and **"UNEARNED INCOME,"** regardless of the purposes or the contexts in which these words are used or administratively applied;
- b) Any and all STATE legislation* that authorizes STATE functionaries to issue unconstitutional **"Master-to-Servant"** commands such as **"You must"** and **"You will"** while addressing the Sovereign American People or the Sovereign People of the State of South Dakota, whether or not they are classified as **"WELFARE BENEFICIARIES"** owed services from STATE government as their **"servants."**

United States ex rel.
Accardi v. Shaughnessy

Court case

United States ex rel. Accardi v. Shaughnessy, 347 U.S. 260, is a landmark United States Supreme Court case, in administrative law, in which the Court held that administrative agencies in the Federal Government are obliged to follow their own regulations, policies and procedures. Wikipedia

Date decided: 1954

* Note that administrative **"rules"** and **"policies"** do not constitute LAW; and the **"ACCARDI DOCTRINE"** is the governing law which holds that:

Accardi Doctrine Law and Legal Definition

Accardi doctrine is an agency which must abide by its own regulations. This doctrine is named after the Supreme Court decision from which the doctrine was developed, US ex rel Accardi. The Accardi doctrine provides that when an agency fails to follow its own procedures or regulations, that agency's actions are generally invalid. Therefore, an agency's failure to afford an individual procedural safeguards required under its own regulations may result in the invalidation of the ultimate administrative determination.

As you should already know, upon my arrival as a *bona fide* and previously rendered CRIME VICTIM and homeless "REFUGEE" from the (CORRUPT) STATE OF MICHIGAN, it was Linda Williams at the WESTERN RESOURCES FOR INDEPENDENT LIVING who had advised me and assisted me in all aspects of the previous "*application(s)*" for state "*Economic Assistance*," "*Energy Assistance*," and/or "*SNAP Benefits*" ... because I lack fingers, legs, and a proper understanding of the LAWS OF THE STATE OF SOUTH DAKOTA when signing documents "*under penalty of [criminal] perjury*". Therefore, I once again this year – when committing to "RECERTIFICATION" procedures and "FORMS" needed by the STATE – request the FIDUCIARY services of these CO-TRUSTEES of the STATE acting in their capacities (individually and collectively) as a TAXPAYER-Supported NON-PROFIT CORPORATION, as licensed by this STATE.

Please note that my email bounced back because I failed to include Mr. Eads first name in the email address. We disabled people surely are not infallible; however we DO seem to have to take full accountability for both our own mistakes and those of the STATE agents who get paid by TAXPAYERS to execute their various levels of dereliction and malfeasance as detailed below.

Now you all have his "corrected" email address. Again, my apologies for this miscommunication.

On Wednesday, December 1, 2021, 09:00:29 AM MST, David Schied <deschied@yahoo.com> wrote:

Dear Angie Reichert (Long Term Care Supervisor) and Tom Eads (Regional Manager),

In follow up to our meeting yesterday afternoon at 3:15, I wish first to apologize to Ms. Reichert for the misinformation I asserted in having sent her information that was sent instead about that same time and day to to another woman by thr name of Amber at the Black Hills Advocate, which is also in Rapid City and who I expect is also, as you say "trying to help" me. To set things straight, I had sent to Amber two "proof of denials" of my Open Records Requests - one from the corrupt BAR attorney working for the DSS and another from the corrupt BAR attorney working for the DHS, each refusing to "show me the law" or to provide me with requested personnel records revealing the qualifications of Laura Charter, Rogine Page and the other of the 14 people of the STATE (under employ of Kristi Noem of the EXECUTIVE BRANCH of SOUTH DAKOTA government) that altogether REFUSE to "show me the law" that authorizes their DENIAL of my CLAIMS for needed help. My letter to Amber and others at Black Hills Advocate also included the email denial last March from Jennifer Lewis, who I had thought was, like Angie, the "Supervisor" of "Long Term Services and Supports" for the DHS or WHATEVER. Again, your DEPARTMENTS, BUREAUS, DIVISIONS, SECTIONS, AGENCIES, UNITS, etc. may be convenient for all of you for "finger-pointing"; but it is not my job to know the differences and keep track of all those differences because you all answer to - and will be awarded court "immunity" by the JUDICIAL BRANCH for being collectively acting as "agents" on behalf of the "principal" of "THE (DEEP) STATE. Thus, from the onset, I will not tolerate Mr. Eads attempts to start the meeting by stating that I am talking to the "wrong" people. I am talking to the STATE as my government servants; and you are talking to me as "One of the Sovereign People". I may be otherwise considered as your government "Master". Again, without We, The (Disabled) People, none of you would even have a job.

Since it was my mistake in confusing the two names of "Angie" and "Amber", neither of whom I had met face-ti-face until meeting Angie yesterday and both names beginning with "A" followed by "m" and "n", I got confused. Unfortunately, this is what happens when th pressures build up against disabled people like me who have been placed by the STATE in the position of having to deal with so many business people in not only the medical field, but in the business and government fields as I defend myself against DEBT COLLECTORS, crawl on my belly and grovel for charity assistance from private medical service providers' "managerial office personnel and financial managers" who are demanding "verification" of my "hardship applications" (which I have to complete for EVERY medical service provider that will even consider waiving the 20% that MEDICARE and the DSS/DSS/DOH also REFUSES to pay on on of my medical necessities and services as a recently "totally and permanently disabled quad-amputee" who doesn't even have the freakin' fingers to complete the applications, and doesn't even have the transportation to get to the freakin' Post Office to mail all of this stuff so that people like those MONUMENT HEALTH can then start demanding that I provide copies of my private contracts (being itself over 70 pages) with my apartment landlord, proof of all of my other monthly billing statements, and all of these other tedious tasks that essentially turn me as the "BENEFICIARY" of "government welfare" in the SLAVE of the service provider, of a DEBT SLAVE to the debt collector CORPORATIONS. Last time I checked the THIRTEENTH AMENDMENT to the U.S. CONSTITUTION forbid government and its CORPORATE LICENSEES from subjecting "We, The People" to "involuntary servitude". I think I made myself pretty clear in your office yesterday that all of this runaround that I am getting by your cohorts of the STATE and your STATE LICENSEES as CORPORATE SERVICE PROVIDERS as I am being COERCED into debt slavery or FORCED LABOR as the only other alternative, is "INVOLUNTARY". In any regard, I have included for "Angie" what I had sent last week to "Amber" by attachment, again with my apology for the misunderstanding and misinformation that I espoused in front of her supervising regional manager. It is most conveniently (to me) attached below.

Next, I wish to recap a few things from our hour-long discussion yesterday in your conference room with my transportation driver/friend and Angie's subordinate also present as added witnesses to this meeting.

As your STATE "right arm" (DSS) was pointing your finger to your STATE "left arm" claiming its out of your hands and while placing the onus of "fault" upon me for "talking to the wrong people" and claiming that you had no clue about who even Jennifer Lewis was - when is YOU that works for the STATE, not me - I did provide Angie Reichert with the completed "Application" for MEDICAID that she sent to me (which had another unfamiliar name at the top not specifically identifying it as MEDICAID as I recall) - but with the date of my "signing (probably under criminal "penalty of perjury" as another threat against my "slavery" status and slap in the face of my "dignity" as a disabled sovereign American) was backdated to correspond to the date I completed my FIRST APPLICATION FOR MEDICAID at the request of Jennifer Lewis who is the cohort of ALL OF YOU at the STATE which NONE of you apparently know about. Again, my signing and dating such a "redundancy" of application to satisfy your STATE efforts to force me to go through yet another of your wasteful "hoops" so you can justify your jobs at taxpayer expense while subjecting me to the assertion of your coercive will" by "color of law, rules and procedures" as a new government slave to YOUR paperwork (similarly to what the CORPORATE "STATE LICENSEES" are doing to me in the private sector) was carried out by me as promised on the phone last week and delivered to you yesterday at the end of our meeting.

Third, with regard to your intent to inform the DHS that they need to waste more time sending Laura Nord / Laura Charter or whoever she wants to call herself now, or her boss Rogine Page to enter my home for another "home visit" at taxpayer expense, I have to say the following in reiteration of yesterday that I will "show them the door" right away if they are not prepared right away to "show me the law" on EVERYTHING they are doing in their decision-making:

1) Laura Nord/Charter and Rogine Page are just two of about 14 people whom I wrote on TWO SEPARATE OCCASIONS IN COMPLAINTS (6/2/21 and 6/19/21) accompanied with OPEN RECORDS REQUESTS that ALL HAVE IGNORED for the last 6 months. NOBODY on that list of individuals will be allowed to even past the threshold of my doorway into my home unless or until they are not only ready to the "show me the law" on the basis off their claim for disqualifying me 8 months ago for MEDICAID based upon my "not meeting the level of need" as a totally and permanently disabled quad-amputee. Further, NOBODY from that list will be allowed to enter my home without providing me with their WRITTEN ANSWERS to BOTH of my COMPLAINT letters given the OPEN RECORDS RESPONSES (attached) showing the STATE "LIARS" refusing to answer any of my requests" submitted IN GOOD FAITH under the OPENS RECORDS LAWS for answer to my simple DEMAND that you STATE "agents" just "show me the law". What are South Dakota "Taxpayers" paying these idiots a lot of money to do(?), think up new and creative ways to deny even showing laws to a rational disabled person who is looking for some simple answers to vague and deceptively written "DENIAL OF MEDICAID" letters?

Here is a screen shot of the around 14 people of the STATE who have so far been "stonewalling" me besides those two idiot BAR attorneys working for Gov. Kristi Noem:

Yahoo Mail - OBJECTION and DENIAL of attempt to COERCE misapplication of OPEN RECORDS LAWS on government tran

OF HEALTH PROTECTION – john.osburn@state.sd.us

Again, ALL names shown above are barred from entering my home unless they "show me the law" and "show me their answers" to my two COMPLAINTS from many months ago while "acting" affirmatively under STATE obligation under SWORN OATH and FIDUCIARY DUTIES to "faithful performance" the SOUTH DAKOTA CONSTITUTION and the U.S. CONSTITUTION to serve We, The People under the laws of the legislature, which I have amply supplied out of my own research showing that they other wide OW ME MEDICAID to pay for my TRANSPORTATION to access my community with dignity (rather than having to be humiliated because I have no money to give in response to requests that I "pay" out-of-pocket for all trips to engage with my community and see doctors like all other "normal" people.

Further, given your noticeable surprise at my finding out that Rogine Page was Laura Nord/Charter's "supervisor" and informing you that Page had cost South Dakota taxpayers over \$300,000 in a "discrimination" lawsuit when a court had determined that she was particularly involved as "human resources" supervisor (NOT disability qualification supervisor) in the refusal to hire a Native American woman for employment. Was my notice to you a shock that with such a history of proven "discrimination" based upon race that a good argument can now also be made by me that she has been transferred to a new STATE "DEPARTMENT" where she is either discriminating based upon "disability" or otherwise employing BIDEN ADMINISTRATION "racial equity" and/or "Critical Race Theory" to discriminate against me as a "white [American] male"?

Is this why the STATE BAR attorneys working for Gov. Noem are refusing my OPEN RECORDS REQUEST for Rogine Page's personnel file and request to know what retraining she had had since costing the People of South Dakota nearly a half a million dollars COERCING the "letter" and the "spirit" of the laws to suit her own DISCRIMINATORY personal preferences? See the screenshot below of my OPEN RECORDS REQUEST in accompaniment of my SECOND [so far unanswered] COMPLAINT to the 14 listed people above:

Social Services Dept. Settles Native American Hiring Bias Suit

By **Kelly Zegers** · January 30, 2020, 9:00 PM EST

The South Dakota Department of Social Services will pay out \$350,000 to settle a suit in which the federal government accused the agency of intentionally discriminating against Native American job applicants....

... Nancy Sletto was the ASA Specialist Supervisor from the mid-2000's until 2010. (Sletto Dep. 40:14-15; 42:5-6.) Sletto was replaced by Rogine Page, who was the ASA Specialist Supervisor from July 2011 through the present. (Page Dep. 21:12-20.)

Each Supervisor in turn reported to a Regional Manager. There were two Regional Managers with management responsibilities for the Pine Ridge Office. First, the Regional Manager for the Division of Economic Assistance ("DEA Regional Manager") oversaw the Employment Specialist Supervisor and the Benefits Specialist Supervisor, along with the respective Employment Specialists and Benefits Specialists. . . .

the mid-2000s until 2010. Id. ¶ 30. Rogine Page replaced Ms. Sletto and has been the ASA Specialist Supervisor since July 2011. Id. ¶ 31.

Normally there are a static number of Specialist positions at the DSS Pine Ridge Office and the opportunity to hire a new employee only arises when a vacancy in an existing Specialist position occurs. Id. ¶ 36. When a vacancy occurs the supervisor of that position (the "Hiring Supervisor") informs the regional manager and prepares a requisition request asking that the position be advertised. Id. ¶ 37. DSS assigns each requisition a unique number.

The Plaintiff also asserts that DSS hired Jeanie Montgomery (Caucasian) as an ASA

Specialist instead of Irene Red Cloud (Native American). (Doc. 46 at 20.) Rogine Page, the Hiring Supervisor for that position, testified that Montgomery had “a lot of work experience,” including prior caseworker experience at a mental health facility. (Page Dep. 140:22-141:6.) Montgomery’s Rationale for Appointment stressed Montgomery’s experience as a nurse, which Page believed would be helpful for the ASA Specialist Position. (Id. at 142:6-10.) Additionally, Page testified that Red Cloud had a “sketchy” job history, because “this job was three months, this job was two months, this job was – oh, that was ten months . . . That concerns me as a supervisor who has not had any Specialists for a year as to her work history.” (Page Dep. 150:7-15.) Additionally, Red Cloud had not been employed since 2003. (Page Dep. 150:18-19.) Perhaps most importantly, Page testified that Red Cloud would not accept any less than \$17.00 per hour, and that she would not have been able to get that as an ASA Specialist. (Page Dep. 154:3-16.)

So clearly the answer to my question a couple of pages back is that **Rogine Page is a “team player” with long history of proven DISCRIMINATION.** Although things are still vague (at this point in this instant writing) as to the reason **SEXUALLY TRANSMITTABLE DISEASES (“STD”) PROGRAM COORDINATOR Mary Rea’s** email to me was also copied to Rogine Page, **the connection to Giovanetti’s RETALIATION against me, and Nancy Giovanetti’s and Laura Nord/Charter’s MEDICAID DENIAL can be further explained by “connecting the dots” of Page’s past proven history of “racial” discrimination to her “teamwork role” in working with the ALL WOMEN “STATE agents” of Jennifer Lewis, Nancy Giovanetti, and Laura Nord/Charter and others in DENYING me in writing for “Medical Assistance”, for the “ADSL WAIVER”, for the “HOPE WAIVER”, and all other forms of MEDICAID, in GROSS CONSTITUTIONAL VIOLATION of federal “FULL FAITH AND CREDIT” laws.**

How about Leslie Lowe, also emailed by some unknown (Mary Rea working as a SEXUALLY TRANSMITTABLE DISEASES PROGRAM DIRECTOR) that Laura Charter had write to me in attempt to have me fraudulently sign a government FORM "under penalty of perjury" calling myself a "TAXPAYER" as owner of some LLC or other CORPORATION in response to my simple effort to get a reimbursement for new batteries for a home mobility device while being DENIED MEDICAID by Nord/Charter before leaving on her honeymoon. What is Leslie Lowe and Mary Rea having anything to do with determining my MEDICAID eligibility when their backgrounds have clearly NOTHING to do with disabilities, but instead has everything to do with "SEXUALLY TRANSMITTABLE DISEASES" and "SEXUAL VIOLENCE PREVENTION AND EDUCATION"? (See below and as attached paged from my SECOND [UNANSWERED] complaint.) Again, this makes for a pretty good argument that Laura Nord/Charter and her boss are involving other WOMEN in a discriminatory practices based upon "gender bias" and following as "sympathizers" to CRITICAL RACE THEORY against me as a "white male".

So the EVIDENCE is clear that Kristi Noem's "agents of the STATE" and its "principals" of the two BAR attorneys representing the "principals" at the DSS and the DHS not only wish to keep me as a disabled person from knowing who exactly these people are that are in charge of my "case". They also wish to keep me as a American "One of the People" and alleged "TAXPAYER" from exercising my Sovereign Rights to know this same information under the OPEN RECORDS LAWS.

This gives much more than the mere "appearance" of impropriety and discrimination. It provides ample EVIDENCE of criminal "perjury of OATH" and "dereliction of FIDUCIARY DUTIES" to the sovereign People of this STATE after taking these TAXPAYERS' hard-earned money and buying themselves houses and cars on their own private contracts with the STATE which they are in criminal malfeasance in failing to honor.

I hope that all of this brings you "up to speed" on what to convey to your cohorts at the DHS. Please note that I am copying all of the above to "Amber" and others at the BLACK HILLS ADVOCATES. I ask that any future correspondence that you have with me be also copied directly to them, as it appears to me that their entire existence as a CORPORATE NONPROFIT LICENSED BY THE STATE is to "assist me". even if it means proving that it is the STATE that is at "fault", not me for having contacted the "wrong" person at the DSS (or anywhere else as the "too big to fail" STATE government) for help.

Please also note that - as I see FEDERAL LAWS being violated by this STATE, I have copied Mark Haugen at the Office of Senator Thune. Mr. Haugen told me Monday that he has been in touch with Kristi Noem's office and that she is also looking in to this matter to some extent. Knowing that Senator Thune has taken some level of interest in this matter and acted on my behalf, I ask that all STATE agents please keep his office - and Kristi Noem's office - apprised with updates about all of your activities, whether individually or collectively.

Cordially yours,
David Schied
